2014-2015 Keith Albee Scholarship Application

For students from Cabell or Wayne County in West Virginia or Lawrence County in Ohio with financial need.

This trust, to be known as the "Keith Albee Founders Trust", is hereby established by the Greater Huntington Theatre Corp. in the name of its principal theatre in Huntington, West Virginia, to honor its founders, Abe and Sol Hyman of shining memory. They were true to America's ideals, and to their own religious beliefs. They judged each man, without prejudice, on his own merits. They regarded all mankind as born equally precious in the sight of God. Service to others was an important part of their lives. The Keith Albee family now seeks to open the door to the potential for full citizenship and empowerment that lies in education, thus continuing the works and practices of its founders, by establishing scholarships and/or grants at Marshall University for the economically disadvantaged as more specifically set for herein.
