Unusual Enrollment History Appeal Form

Student's Name: _____ **MUID:** 901_____

E-mail: _____ **Phone Number:** _____

The U.S. Department of Education has determined you have an unusual enrollment history that indicates you received Federal Pell Grant funds at three or more institutions during the past three academic award years. Upon review of the academic transcripts submitted, it was determined you did not earn academic credit at one, or more, of the previously attended institutions. This has resulted in a denial of any additional Federal Title IV funds.

In some cases, a student may present personal reasons to explain the failure to earn academic credit. If you wish to appeal this decision, please provide a written statement explaining the reason for your failure to earn academic credit. Please explain in detail what occurred during those academic terms in which you failed to earn credit. Within your statement, please include the name of the school and academic term in question. Please attach any third party documentation that would support your statement. To be considered for this appeal, your completed form must be submitted to the Office of Student Financial Assistance by the following deadlines:

- 2014 fall semester — August 18, 2014
- 2015 spring semester — January 5, 2015
- 2015 summer term — June 30, 2015

The appeal must be typed and any additional pages, if needed, must also be typed and attached to this form for submission. A hand-written appeal will not be considered.
