2014-2015 Vernon Sharp Endowed Scholarship for Students in the College of Science at Marshall University

For graduates of Cabell Midland High School with preference given to those who will be majoring in math.
Submission deadline Thursday, May 1, 2014

The *Vernon Sharp Endowed Scholarship* was established in memory of Vernon Sharp, father of Robert "Bob" M. Sharp, who attended Marshall College from 1950 – 1952, majoring in Engineering and earning two letters in track.. Bob Sharp established this scholarship in memory of his father's life and his examples of hard work, honesty, humility and stewardship. Vernon Sharp was not fortunate enough to attend college, but was a hard worker and became a self-taught auto mechanic. In 1924, Vernon Sharp started his own auto sales and service shops in Barboursville and Huntington, West Virginia. With the exception of a temporary break due to World War II, he continued in the car dealer business until his retirement in 1986. Vernon was married to Velva Morrison for 68 years and together they had four children and 13 grandchildren.
Vernon Sharp died September 6, 1993.

Student's Name: _____

MU Student ID Number: 901 _____

Permanent Street Address: _____

City: _____ State: _____ Zip Code: _____

Telephone: (_____)_____ E-Mail Address: _____

Planned College Academic Major: _____

Because financial need is a prerequisite to be considered for this scholarship, when did or will you file the 2014-15 Free Application for Federal Student Aid (FAFSA)? _____
