2013-2014 Lyle F. and Edith Plymale Memorial Scholarship Application for Marshall University Students

For students graduating in 2013 from Spring Valley High School
Submission deadline Friday, April 5, 2013

Student's Name: _____ MU Student ID Number: 901_____

Permanent Address: _____

City: _____ State: _____ Zip Code: _____ County: _____

Telephone: (_____)_____ E-Mail Address: _____

Planned College Academic Major: _____

Because financial need is a prerequisite to be considered for this scholarship, when did you or will you file the 2013-14 Free Application for Federal Student Aid (FAFSA)? _____

Mr. and Mrs. Plymale were both dedicated Math and Science teachers in the Wayne County School System for many years. Mr. Plymale taught at Vinson High and later at Marshall University while Mrs. Plymale held a similar position at Ceredo-Kenova High. They exemplified excellence in education as well as being strong role models who promoted character development as well as academic growth in all of their students

By submitting this application, I understand that the Plymale Memorial Scholarship Committee will have access to my application, and verify that:

- **I have attached a separate sheet outlining all my school and community activities, awards and honors for the last four years.**
- **I have attached a 300 word explanation of my plans as they relate to my educational and career objectives and future goals especially as they relate to math and science.**
- **I have attached a copy of my Spring Valley High School transcript showing that I have a grade point average of at least 2.50.**
- **I am of good moral character.**
- **I understand that I must have demonstrated financial need through my 2013-14 FAFSA results to qualify to be a recipient.**

Freshman applicant, please complete and submit this application to the Senior Counselor at Spring Valley High School by **Friday, April 5, 2013**

Student Signature: _____ Date: _____

This verifies that the above named student is a graduating senior and has shown interest in math and science in high school and plans on entering a field related to math, science, engineering or technology.

Counselor Signature: _____ Date: _____
