Meeting called to order at 9:05 a.m.

OLD BUSINESS:

Minutes from the April meeting were approved.

BANNER OVERSIGHT COMMITTEE – David reported that Selah Wilson volunteered to be the new chair. She is the Manager of Accounting in Finance.

GENERAL PERSON ENTRY FORM – Judy suggested that the on-line form be modified one more time; she distributed copies of the form as it appears now along with the recommended revisions. The group agreed with the proposed changes. Erica will submit revised on-line version to David.

SPAIDEN SECURITY CLASS REPORT – David will discuss with the BOC members at today's meeting the question as to why names still appear when they should have disappeared by now. One case in point is a former director who left Marshall three years ago. The report script verifies current user roles and reflects departures. However, that is not happening.

BANNER PRIVILEGES CHART UPDATE – Judy passed out the revised chart that Erica had created. Pat made additional recommendations regarding Banner Student Access, which will be forwarded to Erica. Members agreed that once those changes are made, the chart is ready for distribution; Pat will begin handing them out during Banner Basic Navigation sessions in June.

NEW BUSINESS:

BUG-L WEB PAGE – Judy recommended that the BUG-L “goals” regarding CBTs be removed from the page. The group agreed. David will take care of it today.

SUMMER MEETING SCHEDULE – Committee members unanimously approved suspending meetings until August 18th.

Meeting was adjourned at 9:30 a.m.
