

Immunization Certification

The primary purpose of the mandatory measles and rubella immunization requirement is to prevent the introduction and spread of these vaccine preventable diseases among students at Marshall University.

The following immunization requirement applies to all first-time undergraduate freshman and all undergraduate transfer students who are enrolling in a West Virginia state college or university. Please complete the following information and return to the Marshall University Office of Admissions.

Student's Full Name: _____
Student's Date of Birth (MM/DD/YYYY): _____
Marshall Student ID#: _____
<input type="checkbox"/> I certify that I have received two doses of the measles and rubella (or MMR) vaccination(s).
<i>I further certify that I am the person whose name appears on this form and hereby affirm and attest that I have received the required immunization(s) as listed above. I acknowledge that some Marshall University programs may require additional proof of immunization(s) prior to enrollment or progression. I understand that withholding or failing to provide accurate and complete information may result in administrative withdrawal or disciplinary action by the University, and that I will be held responsible for payment of all fees in accordance with University policy.</i>
