

**ARTICULATION AGREEMENT
LEADING TO A
B.S. IN NURSING
BETWEEN MARSHALL UNIVERSITY AND
KANAWHA VALLEY COMMUNITY AND TECHNICAL COLLEGE**

Marshall University and Kanawha Valley Community and Technical College in order to promote the transfer of students between the two institutions seeking degrees in Nursing and thereby increase educational opportunities for students in West Virginia, establish this articulated program leading to the B.S.N. degree in Nursing to be granted by Marshall University. This articulation agreement stipulates a course of study leading to an A.A.S. degree in Nursing, which, if satisfactorily completed by students at the Kanawha Valley Community and Technical College, will allow them to transfer into the Marshall University College of Health Professions and obtain the B.S. degree in Nursing upon the successful completion of the program outlined in the articulation agreement.

Marshall University and Kanawha Valley Community and Technical College agree to monitor and support the provisions of this agreement to ensure consistency and program quality and transferability of the benefit of the students of both institutions. Marshall University and Kanawha Valley Community and Technical College agree to coordinate changes in the course content or requirements for any courses listed in the articulation agreement in order to ensure continued comparability between the courses offered on each campus. Marshall University and Kanawha Valley Community and Technical College agree to renegotiate this agreement as necessary due to changes in curriculum or graduation requirements implemented by either institution. This process will be the responsibility of the appropriate deans at both institutions.

Students pursuing the B.S. in Nursing through the articulation agreement will be bound by the curriculum sheets in effect at the time they are officially accepted into the articulated program. The attached curriculum sheets dated February 16, 2012 will be in effect until officially changed and agreed upon by both institutions.

Steven J. Kopp, Ph.D., President
Marshall University

Dr. Joe Badgley, President
Kanawha Valley Community
and Technical College
