

Bachelor Fine Arts in Fine Arts, Visual Arts

Ceramics 2015-2016

The following plan is a suggested model for progress through fibers, an area of emphasis within the BFA program. It may be beneficial to take courses in different time frames, but watch particularly the sequence of SOAD - BFA requirements. Plan course selections so that critical thinking, multicultural, international and writing intensive requirements are included.

A suggested semester-by-semester plan
