				CORE II Total		25	
Writing Inte	nsive		Writing Intensive		Multicu	ıltural/Intern	ational

Please note that not all courses are offered every semester or every year. In order to guarantee graduation within 4 years (8 semesters), refer to and discuss the Four-Year Semester-by-Semester plan with your advisor. <u>Visual Art Majors must receive a "C" or better in ART courses to satisfy the requirements.</u>

Students seeking a substitution for required coursework must have advisor and Director approval prior to enrollment in the class. With approval of the Director, credit transferred from another institution as ART 1XX or ART2XX may be used to fulfill required ART coursework numbered from 1XX to 4XX. Such transferred credit, however, does not build toward the CAM requirement to complete at least 40 hours of 300/400 level coursework.

*These questions will help you to determine if general electives will become degree requirements:
Is your first CT course satisfied with a CORE II course? If yes, add one three-credit-hour general elective (over).
Is your second CT course satisfied with a CORE II course? If yes, add one three-credit-hour general elective (over).
Are you exempt from FYS 100 because you transferred to Marshall with sophomore status? If yes, add one three-credit-hour elective (over).
Are you exempt from ENG 101 because you scored 28 or higher the ACT English test? If yes, add one three-credit-hour general elective (over).
