ADMISSION TO THE COLLEGE

1. Regular admission to the university constitutes admission to the College of Liberal Arts for students entering as freshmen and as transfers from other institutions. There is no separate admissions process.
2. The College of Liberal Arts will accept inter-college and college transfers.

ACADEMIC POLICIES

The college welcomes all students who intend to pursue a degree in a liberal arts discipline.

Advising

The college requires all freshmen and sophomores to see their advisors (or the Academic Advising Center staff if they are Undecided) before they register each semester. If you are a freshman or sophomore, a hold is placed on your registration and your advisor is the only person who can remove it. Some departments, such as Classics, Communication Studies, Philosophy, Political Science, and Religious Studies, have extended the advising requirement to all of their majors. Check your department listing in this catalog to determine your exact advising requirements. Your advisor will help you with advice and support when you have academic or career questions. During pre-registration, if you are subject to mandatory advising and a hold is placed on your registration, you will need to bring your proposed schedule to your advisor for approval. Although you most often will see your advisor during registration periods, all faculty advisors are available during office hours throughout the semester. You should arrange an appointment with your advisor at any time during the semester when you need advice or help.

Changing Your Major or College

If you want to declare a major, change your major, or transfer to a different college at Marshall, you must do this in the College of Liberal Arts office, 107 Old Main.

Choosing a Major

All students in the College of Liberal Arts must be enrolled in classes that satisfy the college core requirements and the requirements for their major in the College of Liberal Arts. If you do not know what field of study in Liberal Arts you want to pursue, you can declare yourself Undecided in Liberal Arts. However, if you are Undecided in the college, you must intend to select a major in Liberal Arts and should enroll in classes that satisfy core requirements in the college. You can select a major during your freshman or sophomore year, but the college asks juniors or seniors who have not chosen a major to transfer to another college that better meets their needs. You must always keep the college office informed about your selection of a major or your decision to remain Undecided in Liberal Arts. In either case, you should fill out a "Declaration of Major" form during Freshman Orientation or in the College of Liberal Arts office, Old Main 107.

Credit Evaluation (Junior Level)

During your junior year, and no later than the semester in which you complete 80 semester hours, you must make an appointment with the Academic Advisor in the College

Office for a credit evaluation. This evaluation will show you exactly what course requirements you have completed and exactly what requirements remain. The evaluation also will help ensure that you are making satisfactory progress towards graduation. You should apply for graduation in the college office during the first week of the semester in which you plan to graduate.

Credit/Non Credit

No course in the major (except CJ 490 and PSY 370), the minor, or in college core requirements may be taken Credit/Non Credit. Courses you can take Credit/Non Credit include developmental courses, electives, Advanced Placement courses, certain practica, and internships.

Determining Your Catalog

You must meet the catalog requirements in effect at the time you declare your major. You then have ten years in which to complete your program. If you do not meet graduation requirements in this ten-year period, then you must meet the curriculum requirements of the catalog in effect at the date of graduation. If you decide to change your major in Liberal Arts or to transfer to another college, you are governed by the catalog in effect at the time of change.

Academic Standing

· Good Standing

You are in good standing when both your Marshall GPA and overall GPA are 2.0 or above.

· Academic Probation

If you have a deficit of quality points in your Marshall or overall GPA you are classified on “academic probation.” Quality point deficits accumulate as a result of excessive grades of *D* or *F*, causing your GPA to fall below a 2.0. If you are on academic probation, an academic hold is placed on your registration status. This means that you must register in person at the Registrar’s Office; you cannot use Web registration. You must also secure approval from the Associate Dean of the College of Liberal Arts before you can register or change your schedule in any way. You will not be able to register for more than 14 semester hours. If you are on probation and are subject to mandatory advising, first bring your proposed schedule to your advisor. Once your advisor approves your schedule, bring it to the College Office for approval by the Associate Dean. The Associate Dean will help you set goals for academic progress through an Academic Improvement Plan. One strategy is to repeat courses taken before the 60th attempted hour in which you received a *D* or *F*. (See “*D/F* Repeat Rule” in this catalog.) When your quality point deficit is removed, you are no longer on academic probation.

DEGREE REQUIREMENTS

Students completing requirements in the College of Liberal Arts receive the Bachelor of Arts (B.A.) degree or a Bachelor of Science (B.S.) degree in Geography. Each degree requires 128 hours of credit. Within the 128 credit hours, you must meet these general and specific requirements.
