

2008 Graduating Senior Survey
BS in Biological Sciences Questions

Marshall University

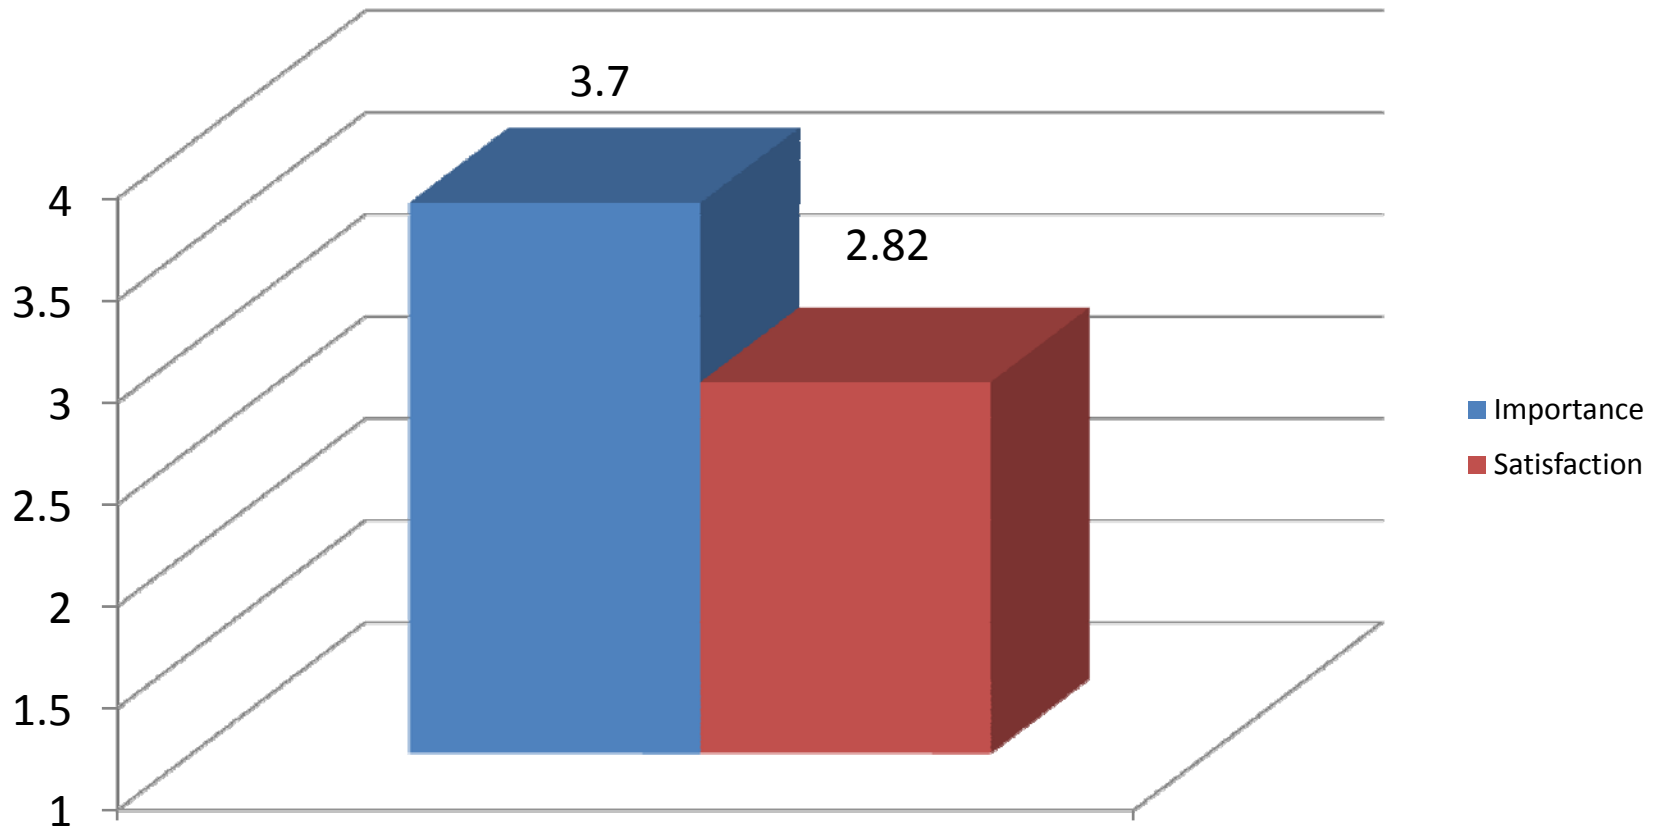

Mean Comparisons for Importance and Satisfaction

Scale = 1 (Not important/Not satisfied) to 4 (Very important/Very Satisfied)

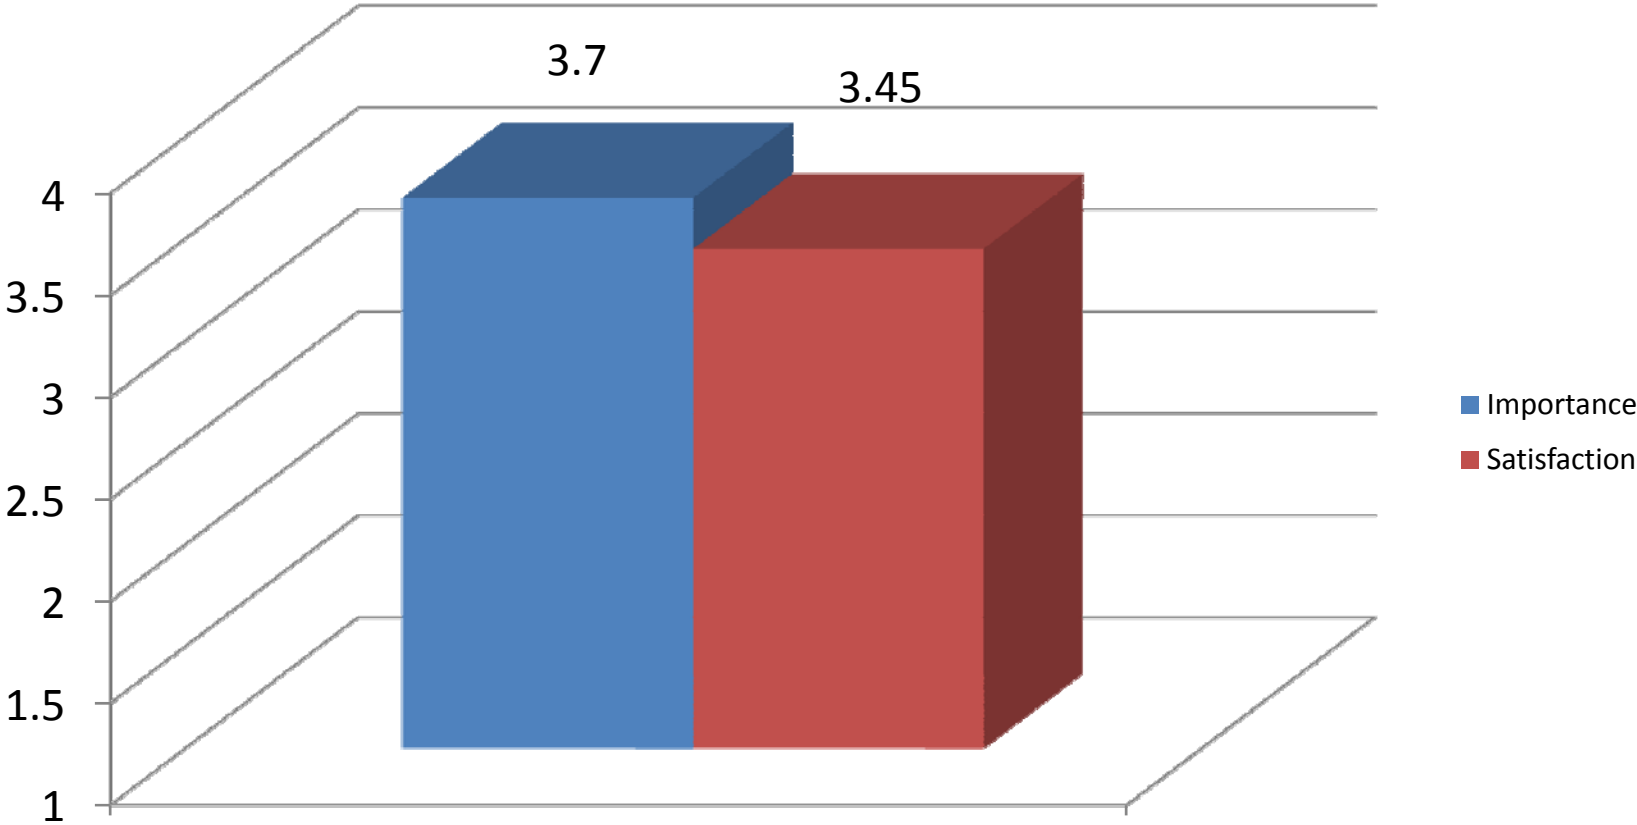

Question 1: The required courses in BSC were valuable and relevant preparation for advancing to the next stage of my career : $n = 57$ (I) and 60 (S)

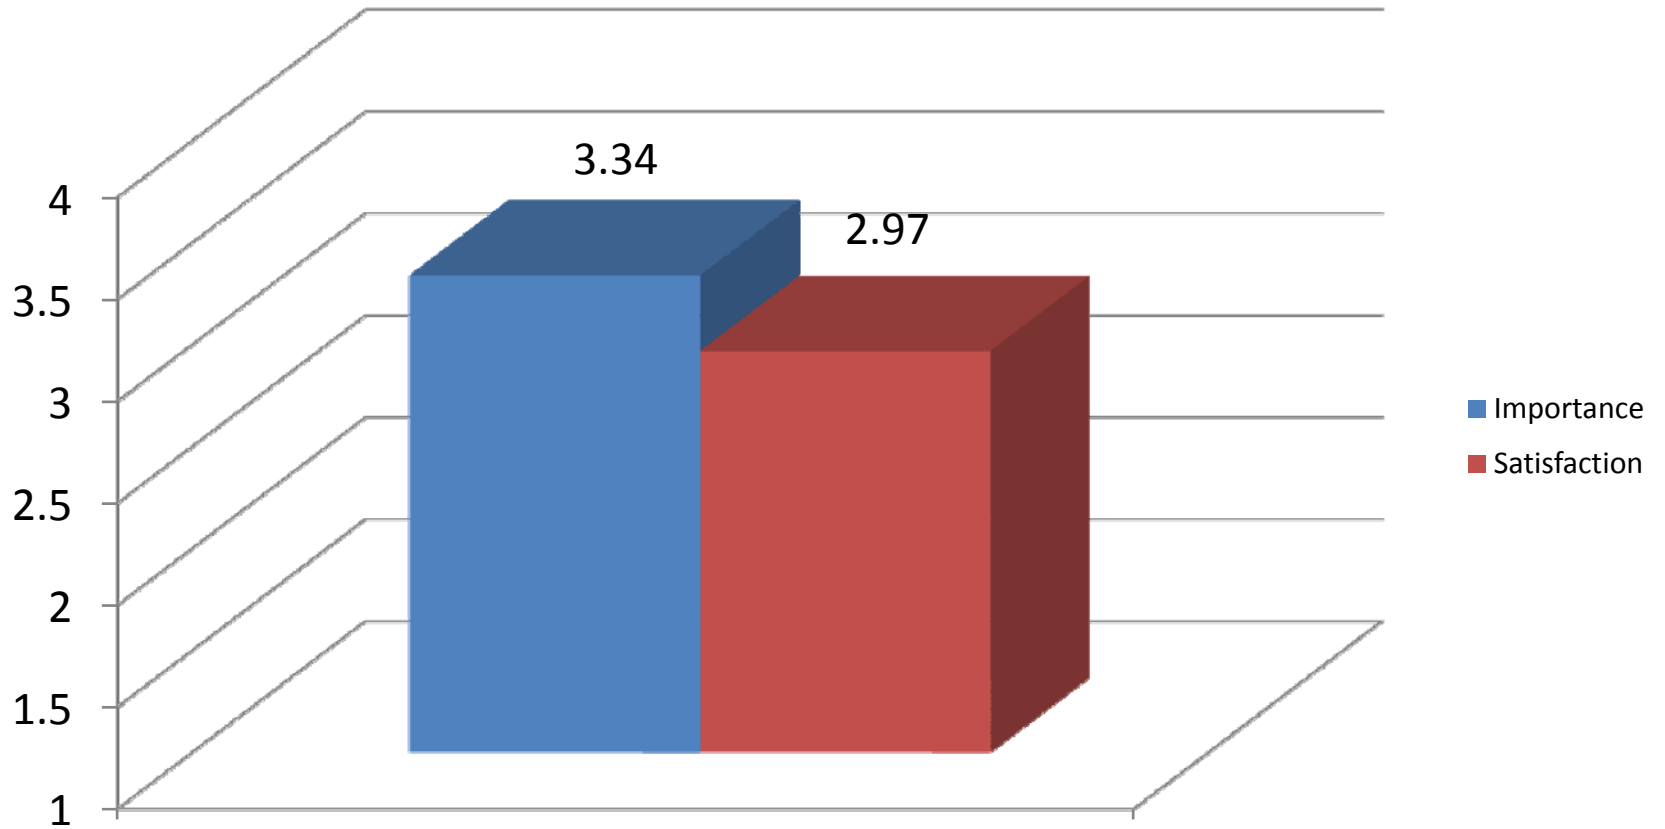

Question 2: There was a sufficient number and variety of elective courses in the Biological Science curriculum : $n = 57$ (I) and 60 (S)

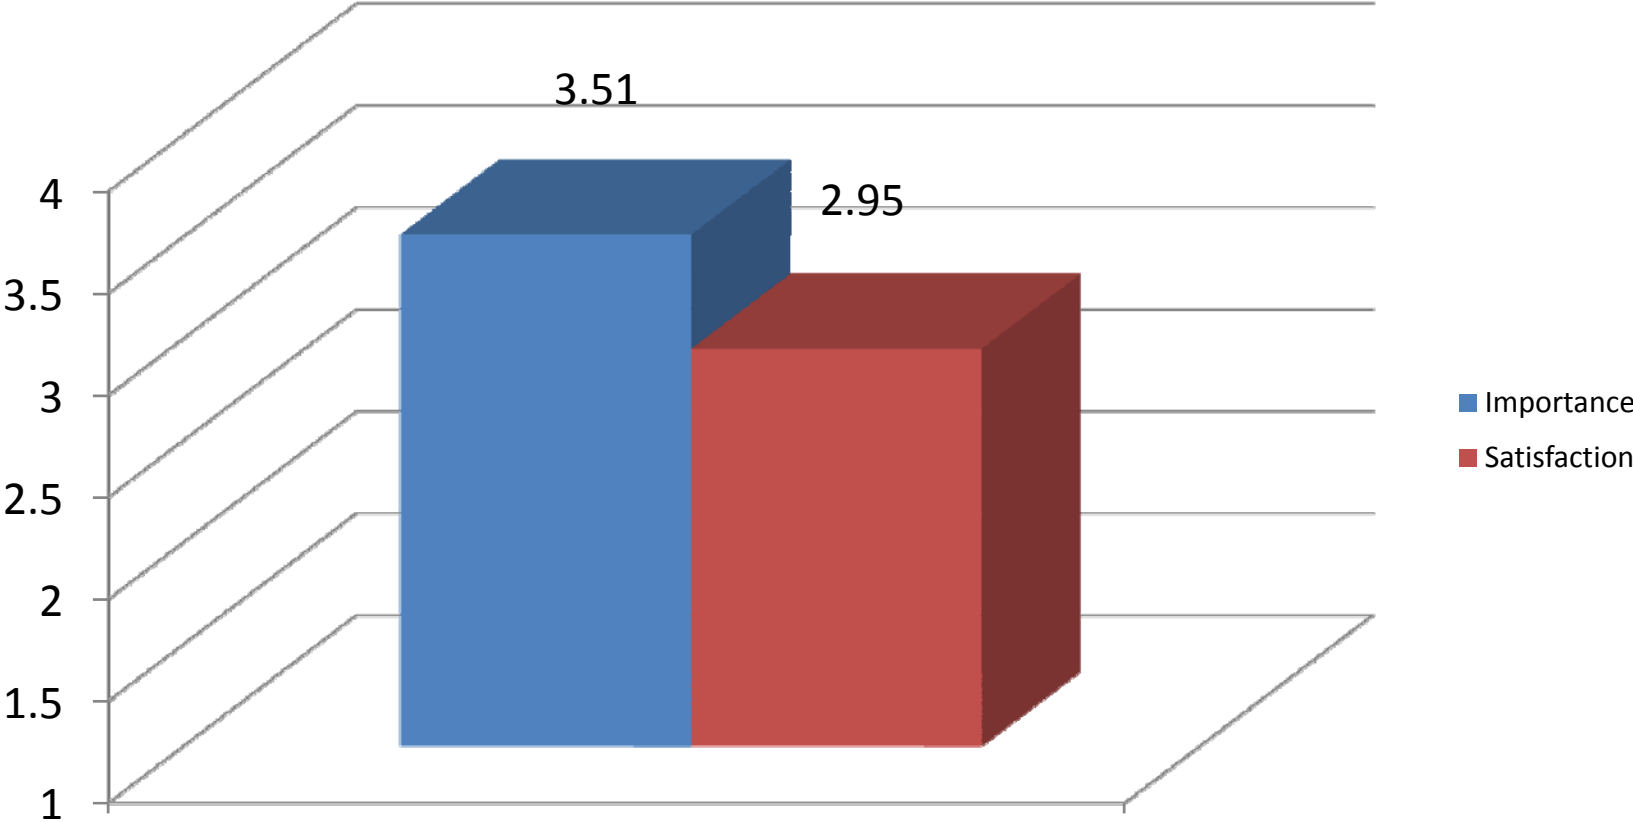

Question 3: BSC courses encourage thinking and analytic skills : $n = 57$ (I) and 60 (S)

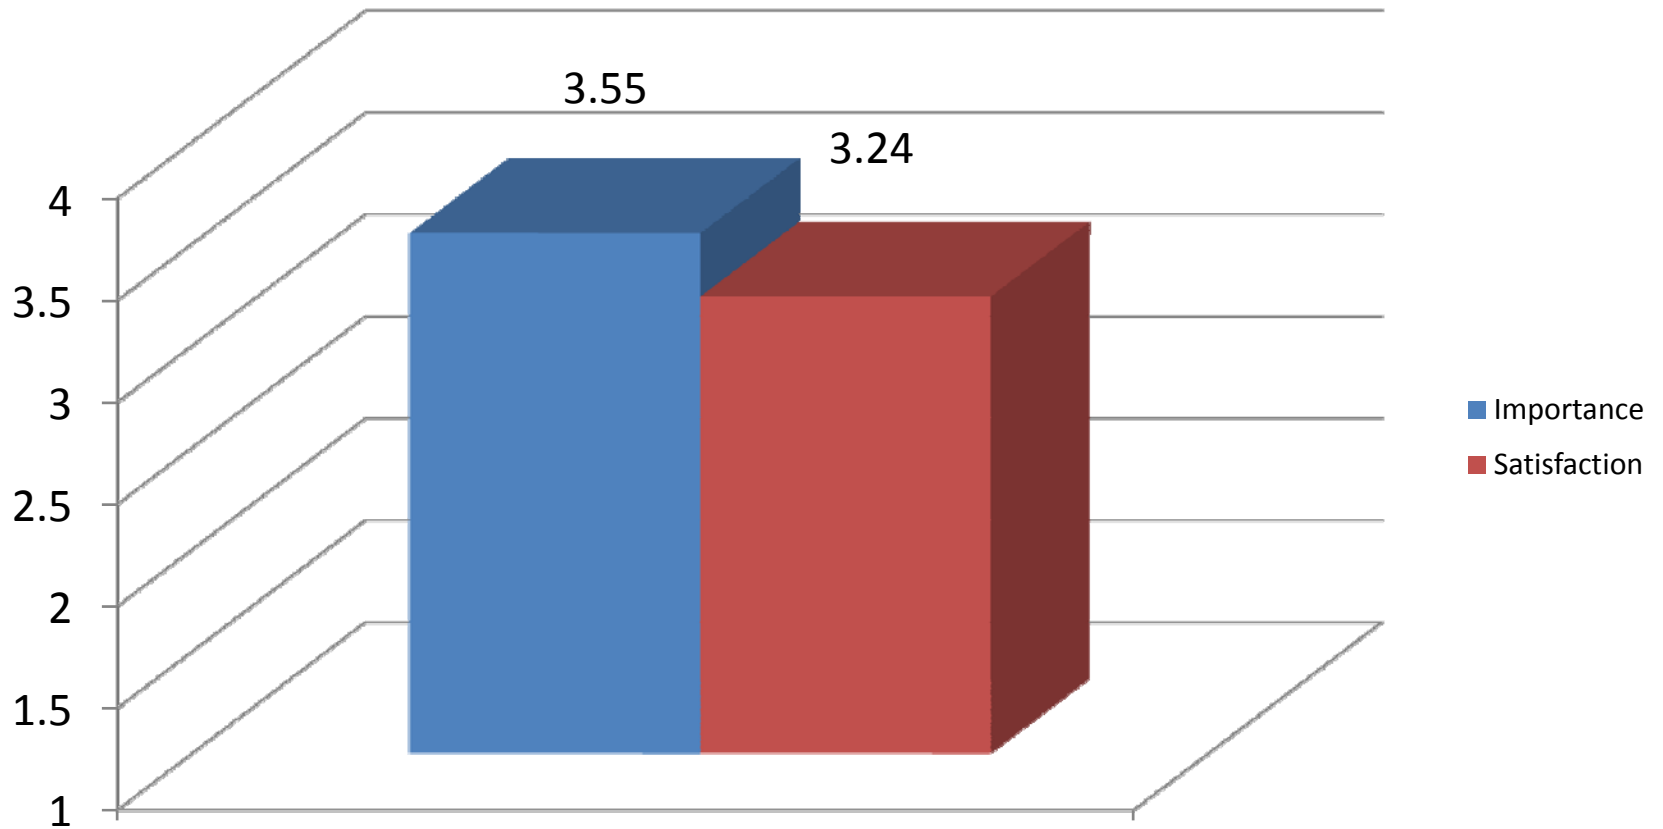

Question 4: BSC courses promote improved communication skills : $n = 56$ (I) and 59 (S)

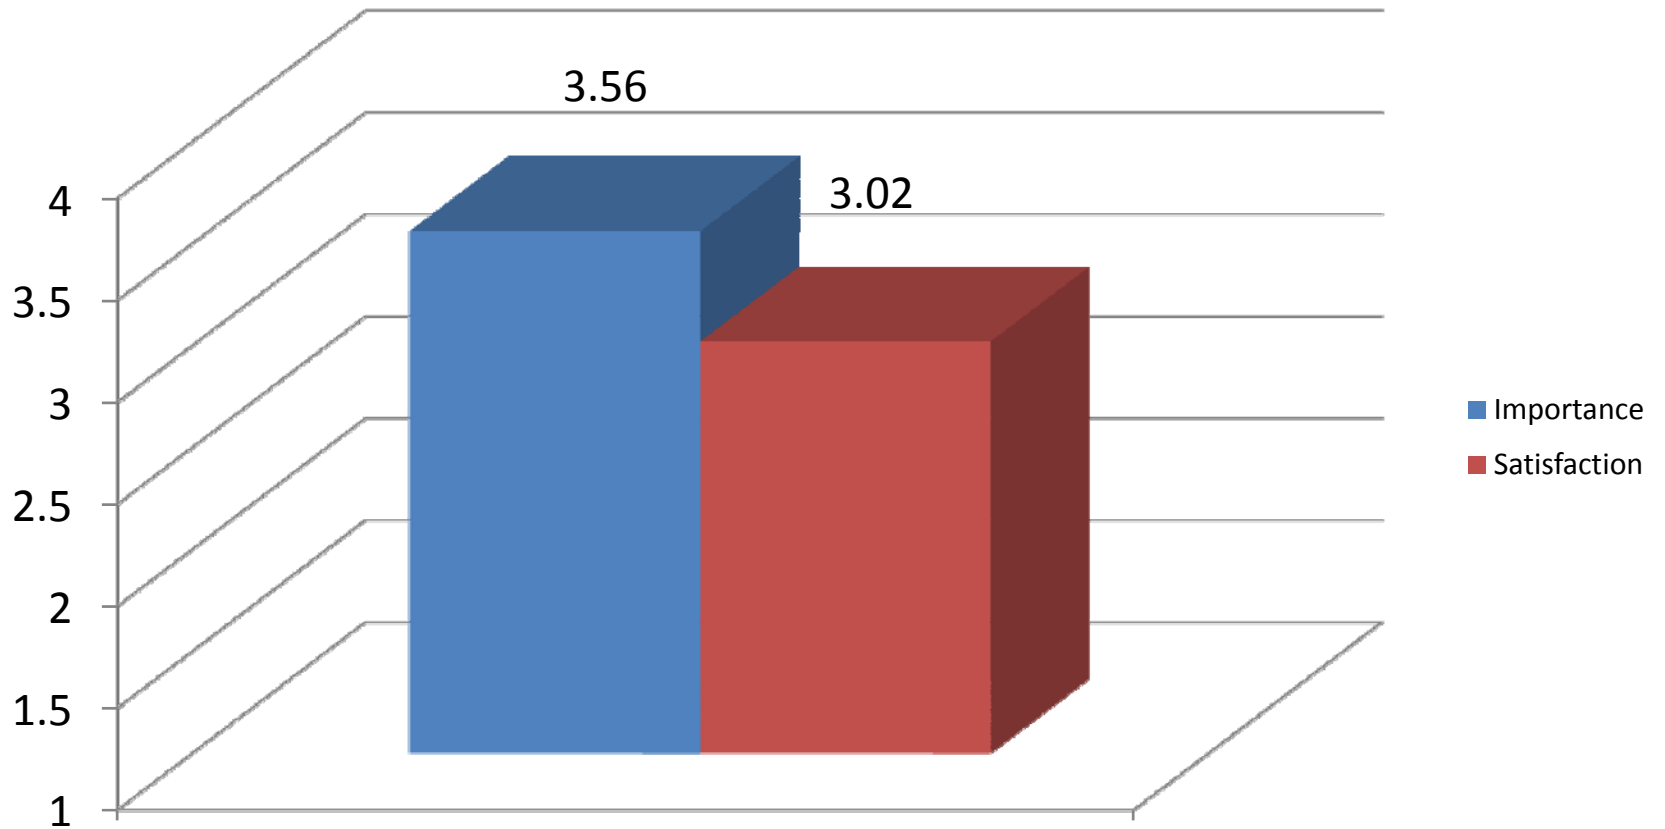

Question 5: BSC program provides adequate experience with and use of computers : $n = 57$ (I) and 59 (S)

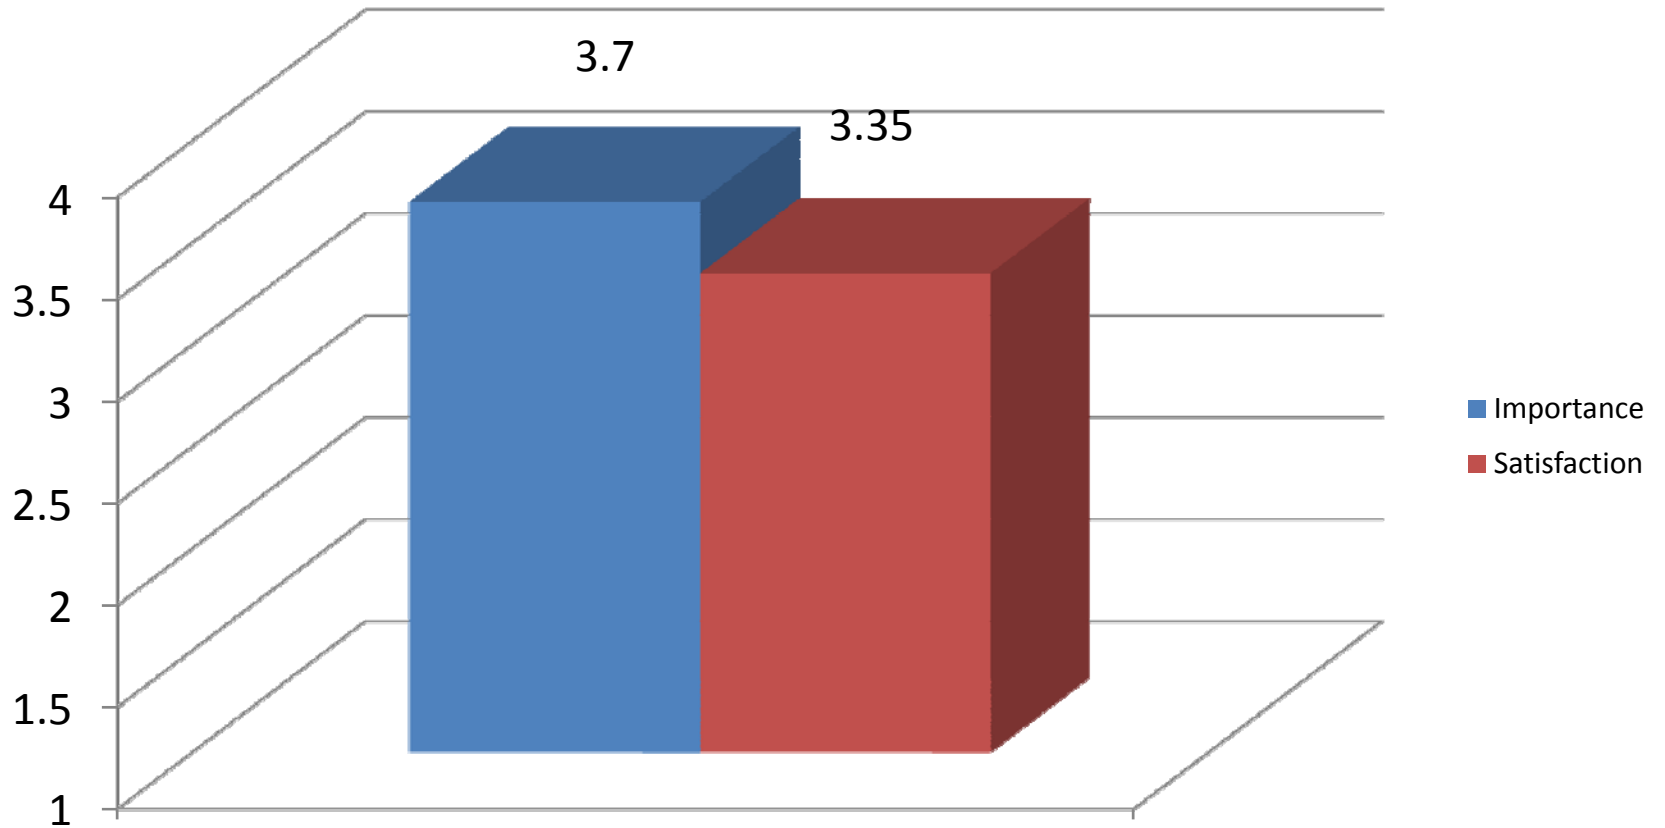

Question 6: Courses in BSC effectively integrate modern research activities with more traditional material : $n = 56$ (I) and 58 (S)

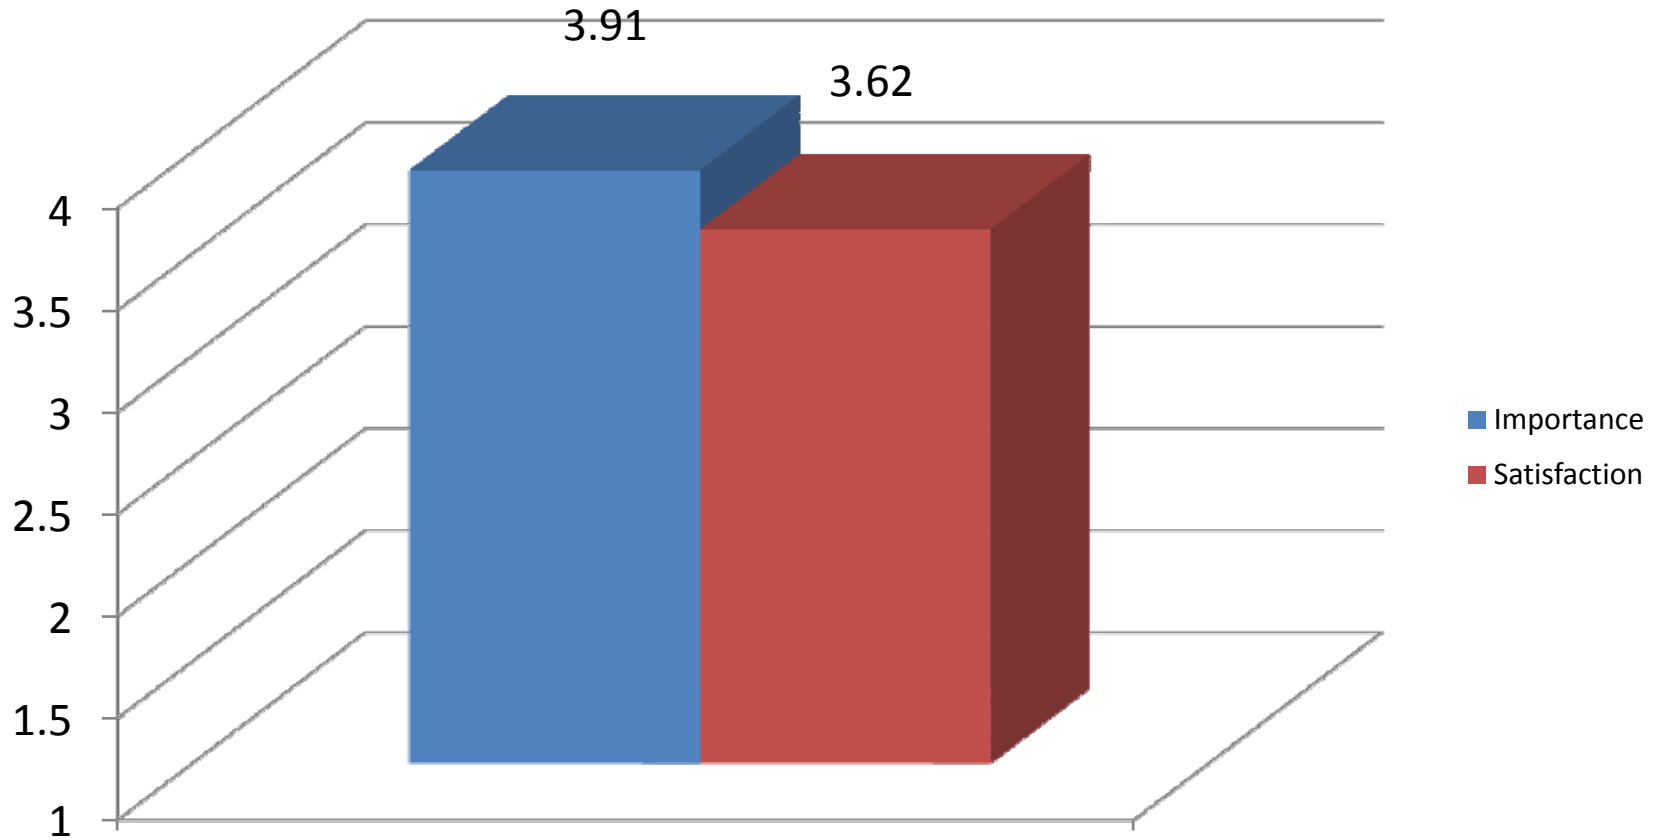

Question 7: Lab activities for BSC were relevant and important to the development of difficult concepts : $n = 57$ (I) and 60 (S)

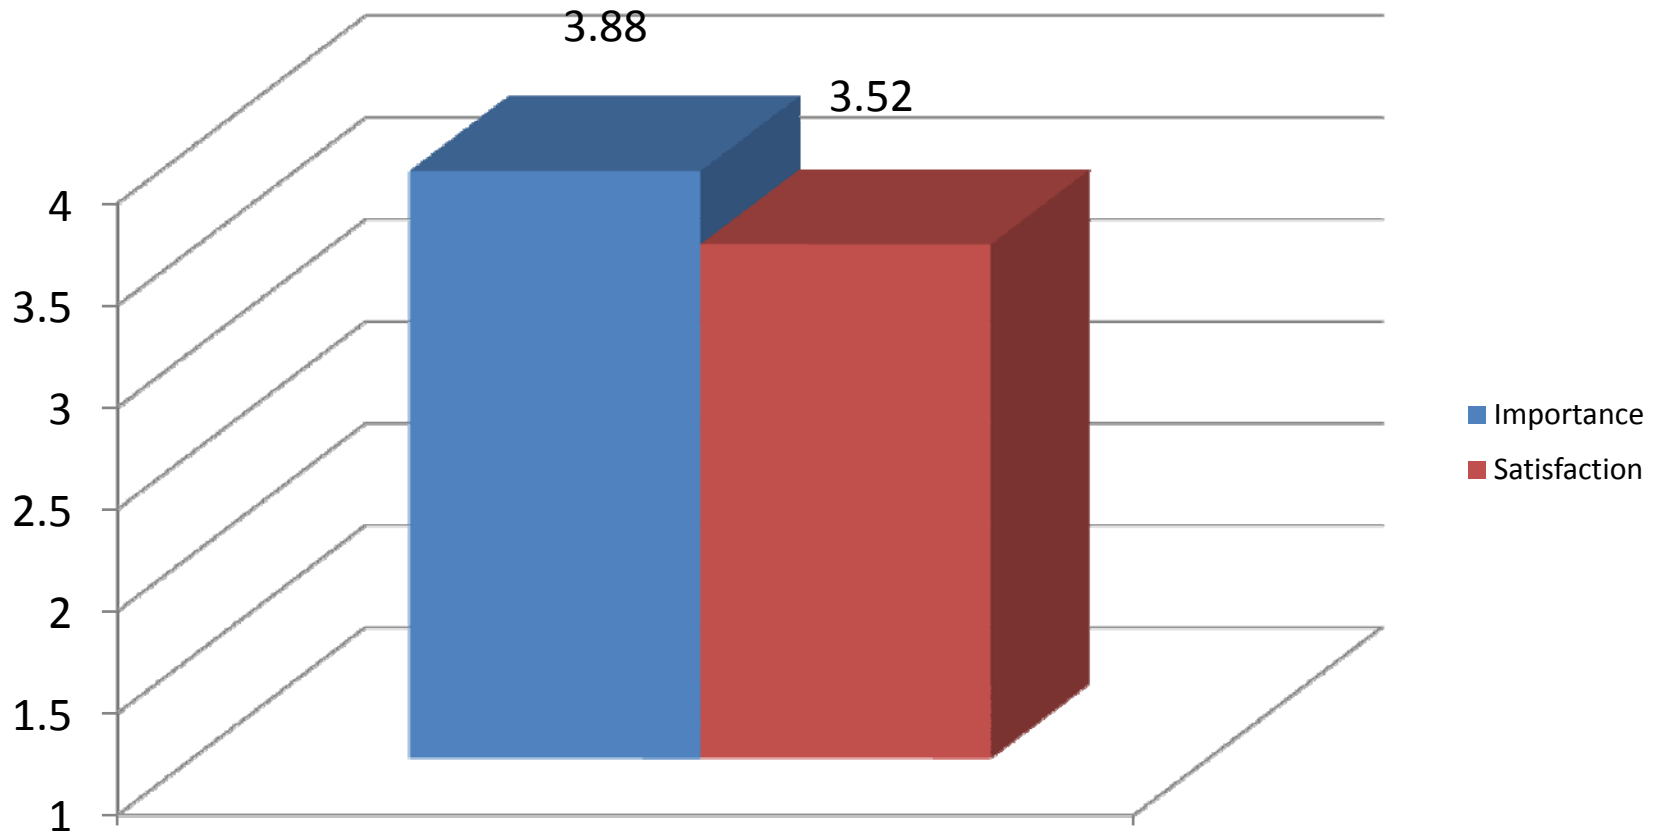

Question 8: Lab activities for BSC courses provided active student involvement and participation for the development for the basic technical skills : $n = 57$ (I) and 60 (S)

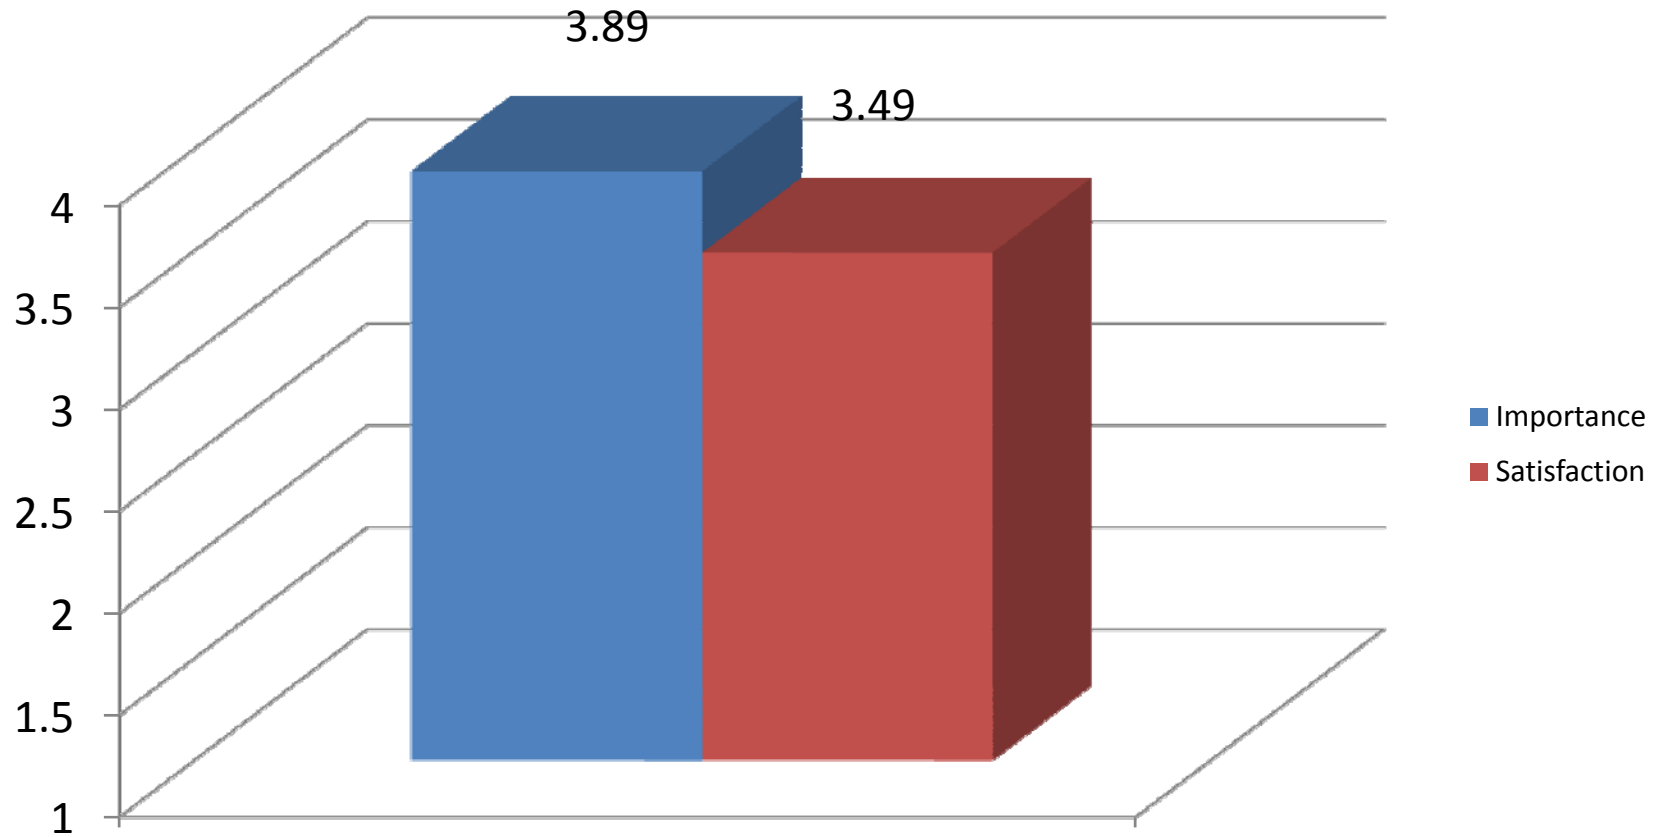

Question 9: Members of the BSC faculty appeared to be competent and knowledgeable in their fields : $n = 57$ (I) and 60 (S)

Question 10: Members of the BSC faculty appeared to be fair and unbiased towards students regardless of race, gender, age and/or disability : $n = 56$ (I) and 60 (S)

Question 11: Members of the BSC faculty were generally accessible and friendly: $n = 56$ (I) and 59 (S)

Question 12: I would recommend Marshall University to a friend who wished to major in Biological Sciences: $n = 56$ (I) and 59 (S)
