Nadine Hamrick	Financial Aid

- Minutes: Minutes from previous meeting (March 2011) were approved as submitted.

COMMITTEE REPORTS:

- **Banner Oversight Committee (BOC)** – David Daniel reported that the BOC meeting was brief with no business items due to SunGard Summit.
- **Summit** – “What We Learned” – Pat encouraged members who attended SunGard Summit to share information about interesting sessions attended during the conference in New Orleans.
 David discussed BDMS Virtual Session
 Elizabeth reported on Workflow, Banner 9.0 demo and XML Output in CAPP
 Pat reported on Degree Works (degree audit product) and CAPP sessions
 Beth reported on her presentation, “Implementation of BMR”
 Nadine and Sherri attended mainly financial aid sessions
 Kelli reported that she attended BDMS and admissions sessions

OLD BUSINESS

- **MyMU/MILO** – Pat reported that transient students have lost myMU access when records are deactivated for subsequent terms.
- **Human Resources/Finance** – No report
- **Performance and Priority issues** – No report
- **Multiple PIDM/Person** – No report

- **Oracle Release** – Myke Watts indicated that within 6-10 days move production from MUIINFO 4 to 5.
- **Faculty Information/Digital Measures** – Pat reported that the College of Business is attempting to use Digital Measures for annual reports. Pat also indicated there is a need for more faculty training.
- **Document Management Suite** – David reported that the upgrade for Banner needs to be accomplished before we can upgrade BDMS
- **Faculty Advisor/myMU hold** – No report.
- **SSN Masking** – No report.
- **MAP-Works** – No report.
- **Enrollment Management Suite** – Beth reported that they are working on the performance piece with reports/graphs scheduled next.
- **Common Matching when Creating Person Records** – No report.
- **CAPP** – Elizabeth and Pat reported that the Web CAPP output was tailored using XML to make the information easier to interpret for students and advisors.
- **Faculty Channels** – no report
- **Bad Address Hold Process** – No report
- **Enforcement of Undergraduate Readmission Policy** – After second reading, the group voted to approve the proposal.
- **Implementation of eSCRIP-SAFE Electronic Transcripts** – No report

NEW BUSINESS:

- Arnold reported on initiatives planned by Computing Services. He provided information on Campus EAI myCampus. Arnold suggested that we visit Campus EAI site to review a demo to become familiar with the product. This implementation will replace Luminas and expand portal space. Additionally, it will allow the implementation of the single sign on structure. Arnold also reported that Computing Services is working on a grant to extend Internet II connection to K-12 and other institutions.
- **Secretary Rotation**
 - May 2011 – Housing and Residence Life
 - June 2011 – Admissions
 - July 2011 – Academic Deans

Adjournment: Meeting was adjourned at 11:20 a.m.
