- **Banner 7:** Bob W. asked about the Internet Native client installation. Terri stated that with the technical problem the installation is running behind but is scheduled to be installed this month. Terri restated how important it is everyone to decide what days would be best for each department for the installation of Banner 7.

#### **NEW BUSINESS**

- **Course Fee Assessments:** Terri stated that the fee assessment process ran on June 1 on the new machine but there are some formatting issues.
- **Print Queue Issues:** Bob stated that the Bursars office is getting multiple pages. Terri stated that it is a printing queue issue and they are working through the print queue issues. Terri stated that if anyone experiences printing problems to report it to the Help Desk and get a ticket number.
- **myMU Access:** Nadine stated that students are having problems accessing their accounts. Terri will check with the Help Desk to see if any problems exist on the technical background side.
