Debra Elliott - Alumni Development

Old Business:

FormFusion - Bob Walker stated that the PO had been issued for FormFusion and if any one was interested in using the software to contact him.

Data Warehouse / Datamart - Michael McGuffey stated that he had discussed how to request funding for a computer that would house the Data Warehouse / Datamart with the Senior VP for Finance. Michael explained that currently, Institutional Research, Finance Information Technologies, and Alumni Development were looking into developing the Data Warehouse / Datamart as a "proof of concept" for institutional reporting purposes. Michael asked that anyone who was interested in participating in this proof of concept to contact him.

New Business:

Banner Oversight Committee Members - Michael McGuffey nominated Terri Byrd as a non-voting member of the BOC from BUG-T. Terri was not available for comment. Myke Watts nominated that the other committee members remain the same (Cheri Musgrave - Voting Member, Myke Watts - Non-voting Member). Since there were no other candidates, the nominations passed.

The new Members of the BOC from BUG-T are:

Cheri Musgrave - Voting Member
