

Center for Academic Excellence: University Honors Program

Course Evaluation Form

(Instructors will not see this form until final grades have been submitted)

Course Number/Title: _____

Semester/Year: _____

Instructor(s): _____

1. Were the goals of this course noted clearly, and did the assignments and activities support the course's goals?
2. How did the course readings, classroom activities, (discussion, group work, in-class writing, lectures and others) help fulfill those goals?
3. What methods of the instructors invited student participation in the class?
4. What aspects of the teaching/instructional activities in this course helped you learn? Which were less helpful?
5. To what extent did this course challenge you academically?
6. Were the grading procedures articulated clearly and followed by the instructors?
7. If this course employed any outside lectures, fieldwork, or travel to enrich your academic experience, how well did that experience support the coursework?
8. What changes or improvements would you recommend and why?

9. This course *helped* me do the following (place an “x” in the box that applies):

strongly agree (5) *agree (4)* *neutral (3)* *disagree (2)* *strongly disagree (1)*

*understand and discuss complex ideas and texts

*engage in problem solving and/or research design

*learn to think critically about the issues the course addressed

*strengthen my written and oral communication skills

*master an ability to work effectively in groups of diverse people

*make connections between disciplines

10. In what room did your class meet? Did you find the room where your class met comfortable and conducive to learning?

11. Please use this space to make any other comments that may be of use.
