MEMBERSHIP TYPES

ALUMNI

Show your Marshall spirit and join the Rec as a Marshall Alumni member! Alumni are defined as individuals that have attended Marshall University or are members of the Alumni Association. Proof of graduation or Alumni Association Membership is required.

FRIENDS & AFFILIATES

Friends & Affiliates regularly make contributions to the University through their services and financial contributions. These members include: members of the Big Green Scholarship Foundation, Marshall University Foundation, employees of Cabell Huntington Hospital, St. Mary's Medical Center, HIMG, King's Daughters Medical Center or VA Medical Center. Verifying identification is required, such as your employee ID.

HOUSEHOLD MEMBER

This membership type may consist of children, household members, spouses and/or partners at least 16 years of age or older. This membership type can only be purchased in conjunction with an active member. Two of the following criteria must be met: Proof of joint financial responsibility, same last name, marriage license and/or same residence along with verifying identification.

CHILD OF STUDENT

Children of students over the age of six may join the Rec. Children under the age of 6 are FREE until their 6th birthday. Our monthly Kid's Night Out is free, and they may take advantage of discounts for camp, swim lessons and other services.

RECENT ALUMNI

Recent Alumni are defined as individuals that have attended Marshall University within the past 12 months. Recent graduates will receive a one-time discount for the first year if joining within 12 months of graduation date.

SILVERSNEAKERS / SILVERFIT

Certain insurance providers have wellness programs available for older adults. Please check with your insurance provider to see if your plan is a participant in SilverSneakers or SilverFit. This program offers patrons unlimited use of the Rec Center.

CHILD OF NON-STUDENT

Children of non-students over the age of six may join the Rec. Children under the age of 6 are FREE until their 6th birthday. This membership type is for children of employees, associates, friends and affiliates, household members, etc. Our monthly Kid's Night Out events are free, and members may take advantage of discounts for camp, swim lessons and other services.

MARSHALL EMPLOYEE

Campus Recreation welcomes current employees, university retirees and adjunct faculty/staff at the lowest membership rate available. Marshall Employees are eligible for payroll deduction. An auto-draft form must be completed and turned in at the Welcome Desk. Verifying identification is required, such as your Marshall ID or proof of retirement.

MARSHALL ASSOCIATES

Associate members are employees of associated entities who work full-time on behalf of the university's mission. These members include; Mountwest Community College, Marshall University Foundation, Inc., Big Green Foundation, Inc., Marshall Health, Marshall University Research Corporation, eFollette, Sodexo and all other approved contracted or outsourced employees working on behalf of Marshall University. Proof of associate relationship with Marshall University is required upon membership registration.

FAMILY +4

This membership type may consist of children, household members, spouses and/or partners at least 16 years of age or older. This membership type can only be purchased in conjunction with an active member. Two of the following criteria must be met: Proof of joint financial responsibility, same last name, marriage license and/or same residence along with verifying identification.

PEIA WEIGHT MANAGEMENT

In order to join the PEIA program, patrons must hold PEIA Preferred Provider Benefit Insurance and be enrolled in the Weight Management Program at www.peia.wv.gov. Members of this program must commit to 2 years in the program. Training sessions, nutrition consultations with a registered dietitian, fitness assessments and unlimited access to the Rec are included.

MARSHALL HEALTH FITNESS

The Marshall Health Fitness program is only open for Marshall University or Marshall Health Employees. Participants MUST have written approval from their primary physician to participate and attend quarterly fitness assessments. There are many benefits to this type of membership, including a personal training session upon entry into the program, quarterly fitness assessments and unlimited access to the Rec.
