

# **SCHOLARSHIP ANNOUNCEMENT**

## **The Engineers Club of Huntington Endowed Scholarship 2007-2008**

### **Selection criteria:**

- ♦ Awarded to MU students enrolled in the Department of Engineering.
- ♦ Selection based on the potential of candidates to become practicing engineers.

**Anticipated amount (for two or more scholarships): \$2000**

### **Application process:**

Candidates should submit a written statement that explains why they will obtain a degree and work as an engineer. The statement should address the following issues:

1. Interest/goals - How established. Why an engineering career was chosen.
2. Capability - Applicant may refer to grades, achievements, and interests.
3. Determination/persistence - Applicant should explain why he/she thinks it exists.
4. Review/explain any educational set-back or problem with particular emphasis on how the problem has been overcome
5. Statement appearance/composition - The statement should be a well thought-out argument to indicate why the applicant expects to become an engineer.

### **Application Deadline:**

**Applications should be submitted to Dr. Pierson no later than February 15, 2008**

Application forms can be picked up in GH112 or downloaded from the CITE web site: [www.marshall.edu/cite](http://www.marshall.edu/cite)
