GENERAL INFORMATION

The post-baccalaureate teacher certification program is an accelerated avenue for college graduates to attain teacher certification. The program's professional education courses and clinical experiences combine with the content area courses the student earned at the undergraduate or graduate level(s) to lead to teacher certification.

A transcript analysis is required to evaluate content courses against the requirements for licensure in the secondary content specializations offered by Marshall University. Generally, a degree or major in the content certification area is required.

ADMISSION REQUIREMENTS

Program participants must be admitted as certificate/professional development students to the Post Baccalaureate Certification Program under the Masters of Arts in Teaching Program at Marshall University. Admission requirements include:

- An official transcript verifying an undergraduate or graduate degree from a regionally accredited college or university submitted to the MU Graduate Admission Office
- A minimum undergraduate GPA of 2.70
- Completion of at least 90% of the content course requirements
- A minimum 2.7 GPA in the content area with a grade of "C" or better for each course
- A completed "Application for Admission" with the appropriate application fee
- Passing scores on the Praxis I, Pre Professional Skills Tests in reading, writing and math. (Reading, 174; Writing, 172; and Math, 172)

Note: The PPST may be waived with an ACT composite score of 26 on one testing date, or a SAT score of 1125, or a previously earned master's degree or higher.
