
Professional development options for 21st Century pre-k educators

EARLY EDUCATION OUTREACH PROGRAM

**Decide which option best meets the needs of your pre-k county plan.
Programs available for 2010-2011 include:**

Inquiry Support System Year I—10 months of sustained professional development designed to assist educators as they learn to implement 21st Century, inquiry-based learning into their classrooms

Inquiry Support System Year II—10 months of sustained professional development designed for pre-k educators who have successfully completed Year I ISS and want to focus on project based learning in the early years

Differentiated Professional Development Workshop Series—individual workshops designed to meet the needs of your pre-k program

**Become a part of the MUEEOP community and share what over 300
pre-k educators and administrators in WV have experienced.**

To learn more, county/agency pre-k administrators are encouraged to contact :

Monica DellaMea Harless, MUEEOP Director

dellame2@marshall.edu (304) 696-6301

or visit

www.marshall.edu/coehs/mueeop

Enrollment for the 2010-2011 school year begins in January 2010.
