The Student Nurses Association would like to welcome any nursing student to our meetings, which are held every other Monday (March 9 & 23, April 6 & 20) from 2:30 - 3:30 pm in Prichard Hall, Room 427. Our mission is to “mentor students preparing for initial licensure as registered nurses, and convey the standards, ethics and skills that students will need as responsible and accountable leaders and members of the profession.” SNA is also a great way to meet students from higher level classes who can help with tutoring and advice. Membership is \$10/year or \$5/semester.

Nursing students have an opportunity to work with Students Association of Nutrition and Dietetics on March 25th from 11:00 a.m. to 1:00 a.m. taking blood pressures. March is National Nutrition Month, so the day is being organized to encourage good health. Contact Dr. Widener, widenerj@marshall.edu, if you are interested in participating in the opportunity .
