

AUGUST 2007

SOFTWARE AVAILABLE TO FACULTY FOR PERSONAL USE AT LOW COST.

University Computing Services has Microsoft's Windows Vista Business Edition and Office Professional Plus 2007 available for work-at-home. Faculty and staff can purchase Vista for \$5 and Office 2007 for \$10 to install on personally-owned computers.

To make this purchase you must show a Marshall faculty/staff ID, sign an agreement, and pay with a personal check or credit card (cash will not be accepted).

Purchases can be made at the UCS Front Desk on the 4th floor of Drinko or computing services at the South Charleston campus room GC223.

All faculty/staff, are authorized, at no cost, to install the university-licensed antivirus software on their personally-owned computers. Visit www.marshall.edu/antivirus for the latest version.
