ONE HUNDRED TWENTY-EIGHTH  
COMMENCEMENT

MARSHALL UNIVERSITY

SUNDAY AFTERNOON, MAY THIRTIETH  
NINETEEN HUNDRED AND SIXTY-FIVE  
TWO O'CLOCK  
UNIVERSITY CAMPUS

# "Alma Mater"

---

Marshall Gracious Alma Mater,  
We thy name revere:  
May each noble son and daughter  
Cherish thine honor dear.  
May thy lamp be ever bright,  
Guiding us to truth and light;  
As a beacon o'er dark water  
This is for thee our prayer.

May the years be kind to Marshall;  
May she grow in fame;  
May her children fail her never,  
True to her beacon flame.  
May her spirit brave and strong  
Honor right and conquer wrong;  
This the burden of our song  
Ever her truth proclaim.

Music: DR. C. E. HAWORTH

Words: JAMES HAWORTH '06

# The President's Charge to the Graduates

It is my pleasant privilege, ladies and gentlemen of the graduating class, to welcome you into the great body of 19,476 graduates of Marshall University. No two of you have had exactly the same experiences at Marshall nor will you carry away with you the same memories. Yet all of you have had four experiences in common:

1. You chose Marshall of your own free will.
2. You were admitted.
3. You selected your own programs of study.
4. You followed these programs successfully to this day of graduation.

At any time until this afternoon you could have left the University. But now you are in for life. You belong to Marshall and Marshall belongs to you.

Your names are not only on our records; they are also in our hearts.

I hope that you will come back to the campus frequently and keep fresh your University memories.

I am grateful for your high standards of conduct as well as of scholarship.

We of the faculty and staff who will remain here have faith in you.

You succeeded in the University and we believe that you will succeed in the harder tasks that lie before you.

I challenge you to hold your degree as a sacred trust

With untarnished honor to yourself and to your University

And with fidelity to your country, your fellowmen, and to God.

Stewart H. Smith  
President

May, 1965

## ACADEMIC COSTUME

The custom of wearing academic regalia in the colleges and universities of the United States has been continuous since Colonial times. The colors indicating fields of study and degrees conferred are now of standard significance and at Marshall University show in the hoods worn by the Master's degree candidates. Doctor's and Master's hoods worn by members of the faculty are colorful and elaborate. Hoods for both Master's and Doctor's are made of black, lined with silk chevrons in the official colors of the university conferring the degree, and trimmed with velvet collars in colors distinctive of the degree.
