The One Hundred Sixty-Ninth
Commencement
Marshall University

Alma Mater

*Marshall Gracious Alma Mater,
We thy name revere:
May each noble son and daughter
Cherish thine honor dear.
May thy lamp be ever bright
Guiding us to truth and light;
As a beacon o'er dark water
This is for thee our prayer.*

*May the years be kind to Marshall;
May she grow in fame;
May her children fail her never
True to her beacon flame.
May her spirit brave and strong
Honor right and conquer wrong;
This the burden of our song
Ever her truth proclaim.*

C.E. and James Haworth

Today's Ceremony

Welcome to Marshall University on this day of special recognition of our candidates for graduation. We hope you will find these ceremonies -- a culmination of the efforts of faculty, staff, our students and their families -- both meaningful and impressive.

While awaiting the start of the ceremonies, you may wish to read the historical notes on West Virginia's oldest university on the following pages. There is also a brief description and picture of The Grand Mace. The narration on academic heraldry will detail the significance of the costumes worn by the participants in today's ceremony.

The exercises begin with the traditional entry procession of the candidates for degrees. The degree candidates will be followed by representatives of the faculty and administration. The platform party consisting of the Academic Deans, Honorary Degree recipients, special guests of the President and the President of the University are led to the platform by the Chief Faculty Marshal, a distinguished member of the faculty, bearing The Grand Mace. The placing of The Grand Mace on the platform signifies the solemnity of the occasion and officially denotes the opening of the ceremonies.

In keeping with academic tradition, the candidates will be presented for their respective degrees in order of the level of the degree, and within degree, in the order of establishment of the School or College. This order is followed in today's program.

The University requests that in keeping with the formality of the occasion, once the procession begins, please do not move onto the floor during the ceremony.

When the President closes the ceremonies following the conferring of all degrees, the audience is asked to rise for the traditional singing of the Alma Mater. The audience is requested to be seated following the Alma Mater till the platform party and faculty have recessed.

Once again, welcome to the One-Hundred Sixty-Ninth Commencement Exercises of Marshall University. Enjoy this day of academic celebration with the Marshall family of faculty, staff and students.

The President's Medallion

The President's Medallion or Badge of Office of the Presidency of Marshall University (above) consists of a relief carving of the Seal of the University featuring the bust of Chief Justice John Marshall. It is suspended from the President's neck with a kelly green and white ribbon, the official colors of the institution. The Medallion is worn by the President when he is participating in formal University affairs. The reverse side of the Medallion is inscribed with the names of the previous Presidents of the institution.

Both The Grand Mace and The President's Medallion were created in 1986 by Byron Johnson. Mr. Johnson, an honor graduate of Marshall University, is a renowned wood carver and sculptor as well as an art teacher in the public schools.

The Grand Mace

The Grand Mace, a symbol of authority and leadership, is carried by the Chief Marshal of the faculty at all formal University occasions and is displayed on the platform during these functions. The Mace is made from a limb that fell from the Old Beech Tree in front of Old Main on the University Campus. The top of the Mace consists of a gold plated bronze casting that features on one side the Seal of Marshall University and on the other the Great Seal of the State of West Virginia. These are surrounded by a laurel of beech leaves and the entire casting is crested by a torch symbolic of academic excellence. Immediately below the top casting is a four-sided section that contains carved symbols significant in the history of the University—The Towers of Old Main, Memorial Fountain, the Seal of Marshall

College, and a buffalo, official mascot of the institution's athletic teams. The area immediately surrounding the four carvings features small clusters of beech nuts and leaves. The center portion of the Mace is carved in double wrap ribbon, one-half inch wide. Between the gaps in the ribbon wraps are carved beech leaves descending in size. The base of the Mace is protected by a gold plated bronze casting of beech leaf clusters. The entire Mace weighs about 25 pounds and is 66 inches from the top of the torch to the base.

The Grand Mace was created in 1986 by Byron Johnson. Mr. Johnson, an honor graduate of Marshall University, is a renowned wood carver and sculptor as well as an art teacher in the public schools.

Academic Heraldry

The academic costumes worn in the procession of today's Commencement and at other formal University occasions trace their origins to those worn by faculty and students at medieval European universities. With only minor modifications these costumes have remained largely unchanged since the 16th century. Standards for colleges and universities in the United States were established in 1895 with the adoption of an Intercollegiate Code which specifies design and color appropriate for various degrees. As in medieval times the costumes worn on formal academic occasions denote the wearer's academic heritage.

Modern academic costume consists of three parts: the gown or robe, a headpiece, and a hood. The style of the gown denotes the wearer's level of education. The baccalaureate gown is the simplest in design. Usually black, it is distinguished by a wide yoke with shirring in front and back and by open flowing sleeves which end in a point. The baccalaureate gown is worn closed.

The master's gown is similar to the baccalaureate gown except that it has a closed or glove sleeve which is open at the wrist. The master's gown has no other trim and may be worn either open or closed.

The doctoral gown is full flowing and has large bell shaped sleeves. It is trimmed with velvet panels down the front and has velvet chevrons on the sleeves. While black is still the predominate color for doctoral gowns, the trim may be in a color which denotes the wearer's discipline or the color of the gown may denote the wearer's university.

The mortar board is the headpiece most often worn at American universities for formal occasions. It is appropriately worn with the board flat on the top of the head and with the tassel falling from the left quarter of the board. Tassel colors usually denote the field of discipline in which the wearer's degree was earned. Doctoral tassels are often gold. The soft velvet Tudor cap is also worn by many who hold the doctorate.

While the gown and headpiece denote the wearer's level of education, it is the hood which adds meaning and dimension to the academic costume. Changed little since medieval times, the hood is worn falling from the shoulders down the back of the gown in a display of vivid color. It is edged in velvet which by its color denotes the field of discipline in which the wearer's degree was earned and it is lined in two colors of silk which represents the college or university from which the degree was earned. Hence the Marshall University hood is lined in green and white and edged with the appropriate discipline color.

A partial listing from the Intercollegiate Code for colors signifying academic disciplines follows:

Agriculture	Maize	Nursing.....	Apricot
Arts and Humanities.....	White	Oratory (Speech)	Silver Gray
Business Administration	Drab	Pharmacy.....	Olive Green
Dentistry	Lilac	Philosophy.....	Dark Blue
Economics	Copper	Physical Education.....	Sage Green
Education	Light Blue	Public Administration	Peacock Blue
Engineering.....	Orange	Public Health	Salmon Pink
Fine Arts and Architecture	Brown	Science	Golden Yellow
Forestry.....	Russet	Social Science	Cream
Home Economics.....	Maroon	Social Work	Citron
Journalism	Crimson	Theology or Divinity	Scarlet
Law.....	Purple	Veterinary Science.....	Gray
Library Science	Lemon		
Medicine	Green		
Music.....	Pink		

At Marshall University, holders of the bachelor and associate degrees do not wear hoods. The color of the tassel on their caps indicates the level of academic excellence achieved in pursuit of their respective degrees. Bachelor degree graduates in University Honors, John Marshall Scholars and Yeager Scholars wear forest green robes.

Profile of Marshall University

The early history of Marshall is filled with colorful events and people.

To put things in chronological perspective, the academic melodrama started in 1837 when the good citizens of Guyandotte and the farming country to the west—now the city of Huntington—decided they needed an annual school to provide for the education of their youngsters.

Tradition records they met at the home of John Laidley, who assumed leadership of the project and named the new school Marshall Academy in honor of his friend, the late Chief Justice John Marshall.

They decided to locate their new school on a knoll known as “Maple Grove,” site of a small log building called Mount Hebron Church. The structure also had served for some time as a subscription school for the area.

It wasn't until March 30, 1838, that the General Assembly of Virginia passed an act formally incorporating Marshall Academy and appointing Laidley and eight other men as trustees.

On June 30 of that year, the trustees purchased from James and Lucy Holderby the one and one-fourth acre lot containing their log “academy.” The price: \$40.

That land is now the site of Old Main.

The trustees proceeded to build a new two-story, brick building, 22 feet wide and 50 feet long, containing four rooms. It was completed by February, 1839.

The first full school term was conducted in 1838-39. In 1850, the academy and its financial obligations were accepted by the Conference of the Methodist Episcopal Church, South. In 1858, Marshall Academy was renamed Marshall College. Due to financial problems the property was sold at public auction in 1861.

Mrs. Salina Mason bought the land and building for \$1,500 for her father, John W. Hite. He was a Confederate sympathizer and could not appear in court in his own behalf. For the next few years, Hite and his family lived in the college building.

During at least part of the war, a small school, probably a subscription school, was maintained at the college—fulfilling a provision in the original deed from James Holderby which specified it was to be used “...for the express purpose of an Academy (sic) and for no other use.” The building also was used as a hospital during part of the conflict.

Meanwhile, the new state of West Virginia had recognized the need for an institution to train teachers to serve the state's public schools.

On Feb. 27, 1867, the legislature voted approval of a bill establishing a “state normal school” to be located at Marshall College.

In order to get the college reopened, the voters of Cabell County approved a property tax levy amounting to \$5,000. The state also appropriated funds and on Aug. 1, 1867, the schools' regents purchased the lot and building from Mrs. Mason for \$3,600.

The first session of Marshall College as a state normal school began June 15, 1868, and lasted 10 weeks.

In 1905, construction was started on the final section of Old Main. This is the familiar “towers” segment facing the main entrance to the campus on Hal Greer Boulevard. With its completion, Old Main consisted of five sections.

Athletics got their start at Marshall with the first football team being fielded in 1898. The Marshall teams originally were known as the Blue and Black, but the now-familiar Green and White colors had been adopted by 1904.

In 1907, Marshall was still strictly a secondary school. By 1912, the regents had added two years of study to the school's program, equivalent to the freshman and sophomore years in college. In 1914, President Corbly recommended that “... Marshall College should be made a ‘college’ in fact as well as in official name — a degree-conferring institution.”

In 1920, the State Board of Education approved Marshall's granting of a bachelor's degree in education. Teachers College conferred degrees upon four candidates in June, 1921.

The years ahead were to see steady physical and academic expansion and Marshall became a university in 1961. Marshall has an enrollment exceeding 16,000, a full-time faculty of more than 500 and more than 100 part-time instructors.

The small academy has become a major university operating 11 colleges and schools: College of Education and Human Services, College of Liberal Arts, Lewis College of Business, College of Science, College of Fine Arts, School of Journalism and Mass Communications, School of Medicine, College of Nursing and Health Professions, Community and Technical College, the Graduate College and the College of Information Technology and Engineering.

Marshall has two major campuses—a main campus in Huntington and the Marshall University Graduate College in South Charleston—along with several learning centers including: the School of Medicine; the Marshall Medical Center; the Harless Learning Center in Gilbert; the Teays Valley Regional Center; the Mid-Ohio Valley Center in Point Pleasant; the Southern Mountain Center in Logan, and the Robert C. Byrd Institute.
