Please refer to the Marshall Handbook regarding weather related closure of the university. Remember that you are missing points when you miss class. Please inform me of your pending absences. Also, make sure that your group is aware of days that you may

be absent. Some of your group meetings may take place out of class and it is imperative to contact group members to let them know if you will miss an activity. THE STUDENT IS RESPONSIBLE FOR ANY MISSED HANDOUTS OR INFORMATION ABOUT ASSIGNMENTS. If you missed class it is your responsibility to find out what happened in class.

Please silence your cell phone upon entering the class. No texting or reading texts during class. Please make any calls before you enter the class or after leaving the class. Since this is a class in group communication, students who choose to remain on their cell phones will be marked absent. Cell phone usage is up to the Instructor's discretion. The success of your group will depend upon the group interaction that takes place. Also, there will be no need to use a laptop in class.
