

MARSHALL UNIVERSITY DEPARTMENT OF COMMUNICATION DISORDERS - UPDATED CE ORGANIZATIONAL STRUCTURE

August 14, 2017

The Marshall University Department of Communication Disorders has made a change to its organizational structure used for Continuing Education (CE) offerings. The Marshall University Continuing Education Program will no longer serve as the resource for registration for participants. Registration and charge of financial responsibility will now be handled internally. Dr. Mary Weidner will be an addition to the CE Committee to help manage the additional responsibilities of the MUDCD. Dr. Weidner is an assistant professor in the department of Communication Disorders at Marshall University and a faculty advisor to our chapter of the National Student Speech Language Hearing Association. Page two of this document shows an updated version of our organizational structure. If you have any questions, please contact Kelly Rutherford – CE Administrator – at 304-696-2982 or davis139@marshall.edu.
