

## **2007 PROMISE Requirements**

**NEW--July 19, 2006**

**Standards have increased for high school students to receive PROMISE from the class of 2007.**

**ACT:** must have a minimum composite score of 22 with minimum subject scores of 20 in each of the four areas, math, science, English and reading.

**SAT:** must have a minimum 1020 combination of critical reading and math with minimum of 490 in critical reading and 480 in math.

ACT or SAT scores cannot be combined from multiple test administrations. In addition, the ACT and/or SAT writing portion will **NOT** be used in calculating minimum composite scores for the PROMISE Scholarship.
