LINK TO THE
FULL REPORT

The 2026 Clery Report, prepared by the Marshall University Department of Public Safety, offers a detailed overview of crime statistics and safety measures on campus for the years 2023, 2024, and 2025. This annual report is mandated by the federal Clery Act, ensuring transparency and promoting campus safety by disclosing campus crime statistics and security policies.

NOTE FROM THE CHIEF

*The Marshall University Police
Department*

At Marshall University, our concern for the safety and well-being of our students, faculty, and staff is always a top priority. With the support of personnel from other departments, we have hundreds of people involved in our goal of maintaining a safe and secure campus. However, please remember that a truly safe campus can only be achieved through the efforts and cooperation of all students, faculty, and staff who accept responsibility for their security and the security of others. This publication is part of our ongoing effort to ensure this collective endeavor is effective. Please read it carefully and use the information to aid in fostering a safe environment for yourself and all others in the University community.

J. E. Terry

COMMUNITY POLICING

Marshall University employs a community policing strategy, emphasizing trust and open communication between law enforcement and community members. This approach involves active partnerships with students, faculty, and staff to identify safety concerns and develop joint solutions, empowering everyone to contribute to campus safety.

KEY CRIME STATISTICS

(2023-2025)

MAIN CAMPUS:

COMMUNITY SAFETY AND PREVENTION

Community policing

Marshall University employs a community policing strategy that emphasizes trust and open communication between law enforcement and community members. Partnerships with students, faculty, and staff help identify safety concerns and develop shared solutions.

Sexual assault, harassment, and violence prevention

- **Bystander intervention training:** “Step In, Speak Up” program.
- **Primary prevention programs:** Programs for incoming students and new employees.
- **Reporting and support:** Confidential handling of reports, support services, and alignment with West Virginia’s protective-order framework.
- **Rape Aggression Defense (RAD) System:** Practical self-defense tactics, awareness, prevention, and risk-reduction strategies.

Highlights for students

- Stay aware of your surroundings.
- Use well-lit paths and avoid walking alone at night.
- Keep belongings secure and do not leave them unattended.
- Report suspicious activity to campus security.
- Use available campus safety resources, including escort services.

Geographic definitions

- **On-campus:** Property owned or controlled by the institution within the reasonably contiguous campus area and used in support of educational purposes, including residence halls and certain institution-owned properties controlled by another person.
- **Noncampus:** Qualifying property owned or controlled by a recognized student organization or by the institution, used for educational purposes, frequently used by students, and outside the contiguous campus area.
- **Public property:** Public thoroughfares, streets, sidewalks, and parking facilities within, immediately adjacent to, and accessible from campus.

Source and review note

Prepared from the updated Clery Data
Main Campus figures supplied for 2023–2025 and structured to follow the content of the prior Clery Report Review. Final publication should be verified against the institution’s official Annual Security Report and Clery geography methodology.
