STUDENT HEALTH SERVICES

Student Health Services is an acute care facility that serves students who carry six or more hours. (Those students who carry 5 or fewer hours are assessed a $20 fee per visit.) Students must present a valid Marshall ID to receive services. While walk-ins are accepted, appointments are recommended. Call (304) 691-1100 for an appointment.

PHARMACY SERVICE

Prescription medications, as ordered by Student Health medical staff, are provided from a formulary with a $5 co-payment. For more information on our current service provider, please go to http://www.marshall.edu/studenthealth/ or call 304-696-2269.

SUMMARY OF SERVICES

The following services are provided: Diagnosis and treatment services; routine non-surgical procedures conducted in the office; limited laboratory and radiographic procedures, as ordered by the medical staff; allergy shots and allergy serum storage; inoculations by appointment and for a fee; and referral to specialists, as needed.

You may visit the Student Health website at www.marshall.edu/student-affairs/studenthealth.htm

OTHER SERVICES

COLD PACKS are available on the 1st floor of Prichard Hall while supplies last. These are made up of over-the-counter medications that are intended to relieve cold symptoms. Students with valid MU IDs may pick up one pack per semester.

VACCINES are offered on campus free of charge to students at specially scheduled vaccine clinics. Watch MyMU and the Parthenon for times, dates, and inoculations offered.

CONTRACEPTION AND STD SERVICES are provided to Marshall students by the Cabell Huntington Health Department at 7th Street and 7th Avenue. To schedule an appointment, call (304) 523-6483 and advise them that you are a Marshall student.

COUNSELING SERVICES are available on the 1st floor of Prichard Hall. Confidential counseling for mental health, relationship, and stress related issues is provided by professional counselors by appointment. Call (304) 696-3111 or come into the Prichard Hall South Lobby to schedule an appointment. Students in crisis may come into the center during regular business hours (M-F, 8:00am to 5:00pm) to talk with a counselor. After hours, students may call (304) 696-HELP (4357) to reach a counselor. For more information, visit the website at www.marshall.edu/counseling.

WELLNESS ACTIVITIES, SUBSTANCE ABUSE PREVENTION, AND HEALTH EDUCATION are provided by Student Health Education Programs. Offices are located on the 1st floor of the MU Recreation Center. Call (304) 696-4800 or go to www.marshall.edu/shep for more information.

For further information about Student Health Services, please call Carla Lapelle at (304) 696-2269.
