Dear Public Employee:

It is time again to enroll in the Mountaineer Flexible Benefits Plan. This program is provided to you by the Public Employees Insurance Agency (PEIA).

The program features Flexible Spending Accounts, dental, vision and short-term and long-term disability insurances. We are pleased to announce the addition of a Health Savings Account with this year’s program. In addition, there will be no premium increases and several premium decreases this year. There are also several benefit enhancements to the dental and disability programs. These benefits will become effective on July 1, 2010 and continue through June 30, 2011.

I encourage you to attend one of the PEIA Benefit Fairs in your area to learn more about your benefits. The Benefits Fairs run from April 5 through April 15 and a schedule is provided for you on the back of this booklet.

The State of West Virginia continually recognizes the need to provide quality benefits to its employees. We want to make sure that you and your family have the protection you need. I urge you to look closely at the benefits offered through this program.

Sincerely,

Joe Manchin III

Who is Eligible?
All active benefit eligible employees of State agencies, colleges and universities and participating County Boards of Education are eligible to participate in this program. This program is also offered to some non-State agencies. Please check with your benefits department to see if you are eligible.

Upon certain qualifying events, spouses, children and employees may be eligible for group health plan coverage under COBRA law. Please contact FBMC Customer Care Center at 1-800-342-8017 for more information.

Period of Coverage
Your period of coverage begins on July 1, 2010, and continues until June 30, 2011, unless you:
• terminate employment
• go on an unpaid leave of absence or
• change your benefit elections in limited circumstances as further discussed under “Changing Your Coverage.”

COBRA Coverage
If you terminate your employment, retire or go on unapproved leave, you can continue certain benefits by calling FBMC Customer Care Center at 1-800-342-8017. According to federal and state law, you can continue your own and your dependents’ coverage if you terminate employment or have certain other Qualifying Events under COBRA. You will be notified of your rights and any continuing benefits you may have after you have notified FBMC that you have a Qualifying Event. Call FBMC at 1-800-342-8017 for details.

If you participated in a Medical Expense FSA and a triggering event occurred during the plan year making you eligible to continue your Medical Expense FSA under COBRA until that plan year ended, your Medical Expense FSA coverage will be cancelled at the end of the plan year in which the triggering event occurred, unless otherwise required by law.

Retiree Coverage
During the 90 days prior to your anticipated retirement date, contact FBMC for your retiree enrollment packet to continue your dental and/or vision plan.

HIPAA-Special Enrollment Rights Pertaining to Group Health Plans
If you are declining enrollment for yourself or your dependent(s) (including your spouse) because of other health insurance coverage, you may, in the future, be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after the other coverage ends.

Employees on Leave
Approved Medical Leave: If you go on medical leave because of your own disability (which includes pregnancy and disabilities resulting from pregnancy complications), your premium deductions will continue through the Mountaineer Flexible Benefits Plan as long as you receive a salary. The Family and Medical Leave Act may affect your rights concerning the continuation of your health benefits while on unpaid leave. Call FBMC at 1-800-342-8017 for further information.

Approved Unpaid Leave: You can continue to receive coverage for certain benefits for the duration of your leave if you pay your premium to FBMC on an after-tax basis.

If you have not maintained a current premium status while on leave, you will be required to re-satisfy eligibility requirements when you return to active status, except as otherwise provided by law. Call Customer Care at 1-800-342-8017 for further information on billing if you go on approved, unpaid leave.
Health Savings Account

What is a Health Savings Account?
Providing economical health care in the face of rising costs is a major issue facing the nation. To deal with this issue and help you plan for future health expenses, you will have the choice of enrolling in a Health Savings Account (HSA). This option allows you and your family to take greater responsibility for your medical care to reduce your insurance premiums and save money for future health expenses.

A Health Savings Account (HSA) is a tax-free account that can be used to pay health care expenses. Unlike money in a Flexible Spending Account, the funds do not have to be spent in the plan year they are deposited. Money in the account, including interest or investment earnings, accumulates tax-free, so the funds can be used to pay qualified medical expenses in the future. An important advantage of an HSA is that it is owned by the employee. If you leave your job, you can take the account with you and continue to use it for qualified medical expenses.

Who is eligible to contribute to an HSA?
- Employees must be covered by an eligible, high deductible health plan (PEIA Plan C).
- Employees cannot be covered by any other health plan that is not a qualified high deductible health plan, including Medicare. However, they may be covered for specific injuries, accidents, disability, dental care, vision care and long-term care.
- Participants cannot be claimed as a dependent on another person's tax return.

How much may I contribute to my HSA?
If you enroll in an HSA and elect to make contributions, your contributions are deducted on a pre-tax basis. An individual with single coverage may contribute up to $3,050 a year to an HSA. Those covering more than one family member may contribute up to $6,150 a year. These limits, established by the federal government and subject to change, are tied to the rate of inflation. An individual age 55* and older may make “catch-up” contributions of up to $1,000 above the limits shown above in 2010.

You may also make after-tax contributions, which apply toward the maximum annual limit(s). You will receive additional information when you enroll.

How do I get funds out of my HSA?
After enrolling in the HSA and completing an HSA application, your contributions will be sent to the custodian, Synovus Financial Corp. The HSA custodian will establish an individual account for you and mail you up to two VISA debit cards to your home address at no charge. You may order additional cards or a small supply of checks by contacting the HSA Customer Service Line at 1-877-367-4HSA. You may use the debit card or checks to get funds out of your HSA. Remember, as long as you are taking funds out for qualified medical expenses incurred on or after the date the HSA was established, there are no taxable consequences to you. However, if you withdraw funds for ineligible expenses, you may have to pay taxes and penalties on those funds, unless you reimburse your HSA for the ineligible amount. You may only use the funds that have accumulated to date.

Will I be charged any banking or custodian fees?
In addition to the per pay period administrative fee below, the custodian will charge you $1.00 per month for your HSA. This fee includes the VISA debit card, all transaction fees associated with the card, monthly statements and other banking services. The debit card should be used for your purchases. In the rare situation where you may need to write a check, there is a nominal $.35 charge per check. The custodian will deduct these fees automatically from your HSA. Other fees may apply, including fees for insufficient funds. Refer to the Synovus Financial Corp. Fees and Charges for more information.

Remember, Limited-Use Medical Expense FSAs are available to HSA participants. Dependent Care Spending Account eligibility is not affected by your HSA participation.

The per pay period rates are as follows:

<table>
<thead>
<tr>
<th></th>
<th>10 pay</th>
<th>12 pay</th>
<th>18 pay</th>
<th>20 pay</th>
<th>21 pay</th>
<th>22 pay</th>

<td>$1.67</td>
<td>$1.50</td>
<td>$1.43</td>
<td>$1.36</td>
<td>$1.25</td>
<td>$1.15</td>
</tr>
</tbody>
</table>

* Please consult your tax advisor or IRS Publication 502 with questions regarding these expenses, qualified health plans, and tax information.
* The “catch-up” contribution rule applies to employees who are or become age 55 prior to 12/31 of the election year.
Can I transfer funds from my IRA to my HSA?
A one-time irrevocable trustee-to-trustee transfer of IRA funds to an HSA will be allowed as long as the transferred amount does not exceed the annual HSA contribution limits. Any transfer from an IRA to an HSA will reduce the maximum amount that may be contributed to an HSA during a calendar year.

Are my HSA funds invested?
Your funds will be held initially in an interest-bearing checking account at Synovus Financial Corp. The current HSA interest rate is .70% APY for balances up to $999; .80% APY for balances of $1,000 - $4,999; .90% APY for balances of $5,000 - $24,999; and 1.00% APY on balances of $25,000 or more, which is subject to change. To check the current rate on this account, call the HSA Customer Service Line at 1-877-367-4HSA.

Once your HSA balance reaches $3,500, you may invest a portion of your account balance in Fidelity Investments® Class “T” mutual funds offered through Synovus Securities, Inc., the bank’s brokerage provider. Your minimum initial investment in each fund must equal $2,500; after this initial investment, you may make periodic investments in increments of $100 or more. Additional information will be sent once your account balance reaches $3,500. There is an annual investment fee of $60. The mutual funds available under your HSA are:
• Fidelity Advisor Diversified International Fund
• Fidelity Advisor Small Cap Fund
• Fidelity Advisor Mid Cap II Fund
• Fidelity Advisor Dividend Growth Fund
• Fidelity Advisor Balanced Fund
• Fidelity Investment Grade Bond Fund
• Fidelity Prime Fund – Daily Money Class

What if I exceed the annual contribution limits established by the IRS?
The bank will monitor your HSA contributions made through payroll deduction and send an alert to your payroll administrator and advise that you are exceeding your contribution limits. The custodian will also send courtesy notices periodically reminding you to check your account balance and ensure that you are not exceeding the allowable annual contribution limits. You may decrease or stop your contributions accordingly, but the best way to ensure that you do not exceed the annual contribution limit is to elect a per-pay-period contribution that ensures you will not exceed the annual limit. Of course, you can add the “catch-up” contribution amount to these annual limits if you are age 55 or older. The catch-up contribution for 2010 is $1000.

May I have an HSA and Medical Expense FSA?
Yes, individuals may enroll in a Limited-Use Medical Expense FSA to pay certain eligible expenses. The Limited-Use Medical Expense FSA may be used to pay expenses not covered by your HSA or a high deductible health plan, including dental, vision and preventive care expenses not covered by PEIA Plan C. Dependent Care Spending Account eligibility is not affected by your HSA participation. You can save money and pay less tax too by enrolling in a Limited Use Medical Expense FSA, HSA or both. These are Pre-tax benefits that you can take advantage of either independently of each other or together. Here’s a sample exhibit of savings you can experience.

### Pre-tax Benefits Savings Example*  
(With HSA) | (Without HSA)  
--- | ---  
$31,000 | Annual Gross Income | $31,000  
-5,000 | HSA Deposit for Recurring Expenses | -0

-0 | Cost of Recurring Expenses | -5,000

* Based upon a 22.65% tax rate (15% federal and 7.65% Social Security) calculated on a calendar year.

1 The rate is effective as of July 1, 2010.

Limited-Use Medical Expense FSA

What is a Limited-Use Medical Reimbursement Account?
A Limited-Use Medical Expense FSA is designed specifically for employees who wish to take advantage of a Health Savings Account (HSA), while continuing to enjoy the tax savings expected from an FSA. Much like a Medical Expense FSA, funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax free. However, the funds in a Limited-Use Medical Expense FSA can only be used for dental, vision and preventive care expenses not covered by your high deductible health plan. Your HSA is designed to be used for all other medical-related expenses. A partial list of eligible Limited-Use Medical Expense FSA expenses can be found on this page.

Aside from these minor differences, a Limited-Use Medical Expense FSA follows the same procedures for reimbursement as a Medical Expense FSA.

Whose expenses are eligible?
Your Limited-Use Medical Expense FSA may be used to reimburse eligible expenses incurred by:
- yourself
- your spouse
- your qualifying child or
- your qualifying relative.

An individual is a qualifying child if they:
- are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- have a specified family-type relationship to you
- live in your household for more than half of the taxable year
- are 10 years old or younger (23 years, if a full-time student) at the end of the taxable year and
- have not provided more than one-half of their own support during the taxable year (and receive more than one-half of their support from you during the taxable year if a full-time student age 19 through 23 at the end of the taxable year).

An individual is a qualifying relative if they are a U.S. citizen, national or a resident of the U.S., Mexico or Canada and:
- have a specified family-type relationship to you, are not someone else’s qualifying child and receive more than one-half of their support from you during the taxable year or
- if no specified family-type relationship to you exists, are a member of and live in your household (without violating local law) for the entire taxable year and receive more than one-half of their support from you during the taxable year.

NOTE: There is no age requirement for a qualifying child if they are physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish a Limited-Use Medical Expense FSA.

When are my funds available?
Once you sign up for a Limited-Use Medical Expense FSA and decide how much to contribute, the maximum annual amount of reimbursement for eligible expenses will be available throughout your period of coverage.

Since you don’t have to wait for the cash to accumulate in your account, you can use it to pay for your eligible expenses at the start of your plan year, which is July 1, 2010.

Partial List of Medically Necessary Eligible Expenses*
- Birth control pills and devices for dependent children
- Contact lenses (corrective)
- Dental fees
- Eyeglasses
- Guide dogs
- LASIK
- Optometrist fees
- Orthodontic treatment
- Over-the-Counter Items

NOTE: Budget conservatively. No reimbursement or refund of a Limited Medical Expense FSA funds is available for services that do not occur within your plan year.

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year.

There is no administrative charge for a Limited-Use Medical Expense FSA.

For HSA Participants Only

Minimum Annual Deposit: $150
Maximum Annual Deposit: $5,000
A Flexible Spending Account (FSA) is an account you set up to pre-fund your anticipated, eligible medical services, medical supplies and dependent care expenses that are normally not covered by your insurance. You can choose from two accounts: Medical Expense FSA and Dependent Care FSA.

Not only are your Medical Expense FSA funds available to you in one lump sum at the beginning of your plan year, but your FSA funds are deducted before federal and state taxes are calculated on your paycheck.

With either FSA, you benefit from having less taxable income in each of your paychecks, which means more spendable income to use toward your eligible medical and dependent care expenses.

Once you decide how much to contribute to your Medical Expense and/or Dependent Care FSA, the amount is deducted in small, equal amounts from your paychecks during the plan year.

Examples of how to use your FSA:

**Example 1: Paying a co-payment and doctor/dental fees**

After paying your co-payment and doctor/dental fees at a service provider’s office, obtain an Explanation of Benefits (EOB) or detailed receipt of the completed services. Submit these documents, along with a Reimbursement Request Form to FBMC. Within five business days, FBMC will process your request and mail your reimbursement check to you or direct deposit your funds into the account of your choice.

**Example 2: Paying for daycare services**

Once you have paid for your child's daycare service, send a completed Reimbursement Request Form to FBMC, along with documentation showing the following:

- Name, age and grade of the dependent receiving the service
- Cost of the service
- Name and address of the service provider
- Beginning and ending dates of the service.

Your request will be processed within five business days and either mailed to you or deposited into the account you have chosen.

**FSA Eligibility**

Your Medical Expense Flexible Spending Account may be used to reimburse eligible expenses incurred by yourself, your spouse, your qualifying child or your qualifying relative. You may use your Dependent Care Flexible Spending Account to receive reimbursement for eligible dependent care expenses for qualifying individuals. Please see the Flexible Spending Account FAQs at www.myFBMC.com.

**Written Certification**

When enrolling in either or both FSAs, written notice of agreement with the following will be required:

- I will only use my FSA to pay for IRS-qualified expenses and only for my IRS-eligible dependents
- I will exhaust all other sources of reimbursement, including those provided under my employer’s plan(s) before seeking reimbursement from my FSA
- I will not seek reimbursement through any additional source and
- I will collect and maintain sufficient documentation to validate the foregoing.

Medical Expense FSA
A Medical Expense FSA is used to pay for eligible medical expenses which aren't covered by your insurance or other plan. These expenses can be incurred by yourself, your spouse, a qualifying child or relative. Your full annual contribution amount is available at the beginning of the plan year, so you don’t have to wait for the money to accumulate.

Partial List of Eligible Dependent Care Expenses*
- After school care
- Baby-sitting fees
- Daycare services
- In-home care/au pair services
- Nursery and preschool

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year. Certain other substantiation requirements and restrictions may apply, and will be supplied to you following enrollment.

Dependent Care FSA
The Dependent Care FSA is a great way to pay for eligible dependent care expenses such as after school care, baby-sitting fees, daycare services, nursery and preschool. Eligible dependents include your qualifying child, spouse and/or relative.

FSA Fund Availability
For Medical Expense FSA:
Once you sign up for a Medical Expense FSA and decide how much to contribute, the maximum annual amount of reimbursement for eligible health care expenses will be available throughout your period of coverage.

Since you don’t have to wait for the cash to accumulate in your account, you can use it to pay for your eligible health care expenses at the start of your deductions.

For Dependent Care FSA:
Once you sign up for a Dependent Care FSA and decide how much to contribute, the funds available to you depend on the actual funds in your account. Unlike a Medical Expense FSA, the entire maximum annual amount is not available during the plan year, but rather after your payroll deductions are received.

Ineligible Expenses
For Medical Expense FSA:
- insurance premiums
- vision warranties and service contracts and
- cosmetic surgery not deemed medically necessary to alleviate, mitigate or prevent a medical condition.

For Dependent Care FSA:
- books and supplies
- child support payments or child care if you are a non-custodial parent
- health care or educational tuition costs and
- services provided by your dependent, your spouse's dependent or your child who is under age 19.

Visit www.myFBMC.com for a list of frequently asked questions.
You must keep your documentation for a minimum of one year and submit to FBMC upon request.

A properly completed request will help speed along the process of your reimbursement, allowing you to receive your check or Direct Deposit promptly.

Requesting Reimbursement

For a Medical Expense FSA:

You can use your Medical Expense FSA to reimburse eligible expenses after you have sought (and exhausted) all means of reimbursement provided by your employer and any other appropriate resource. Keep in mind that some eligible expenses are reimbursable on the date available, not the date ordered.

To request reimbursement, simply fax or mail a correctly completed FSA claim form along with the following:

- an invoice or bill from your health care provider listing the date you received the service, the cost of the service, the specific type of service and the person for whom the service was provided or
- an Explanation of Benefits (EOB)* from your health insurance provider that shows the specific type of service you received, the date and cost of the service and any uninsured portion of the cost and
- a written statement from your health care provider indicating the service was medically necessary if those services could be deemed cosmetic in nature, accompanied by the invoice or bill for the service.

* EOBs are not required if your coverage is through a HMO.

For a Dependent Care FSA:

You can request reimbursement from your Dependent Care FSA as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Remember that for timely processing of your reimbursement, your payroll contributions must be current.

Requesting reimbursement from your Dependent Care FSA is easy. Simply fax or mail a correctly completed FSA claim form along with documentation showing the following:

- the name, age and grade of the dependent receiving the service
- the cost of the service
- the name and address of the provider and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your Dependent Care FSA. This information is required with each request for reimbursement.

Note: Cancelled checks or credit card receipts (or copies) listing the cost of eligible expenses are not valid documentation for either Medical Expense or Dependent Care FSA reimbursement.

Send all FSA reimbursement claims to:

Fax Toll-Free: 1-866-440-7145
Mail to: Contract Administrator
Fringe Benefits Management Company
P.O. Box 1800
Tallahassee, FL 32302-1800

Note: If you elect to participate in the Dependent Care FSA, or if you file for the Dependent Care Tax Credit, you must attach IRS Form 2441, reflecting the information above, to your 1040 income tax return. Failure to do this may result in the IRS denying your pre-tax exclusion.

Important FSA Notes:

- You may, however, continue using only your Medical Expense FSA during the grace period (September 15, 2011), which is two months and 15 days after the end of your plan year. Be sure to submit your grace period claims before the end of your 120-day run-out period. During the grace period, you may incur expenses and submit claims for those expenses.
- You have a 120-day run-out period (ending October 31, 2011) after your plan year ends to submit reimbursement requests for all eligible FSA expenses incurred DURING your plan year.

Appeal Process

If you have a request for a mid-plan year election change, FSA reimbursement claim or other similar request denied, in full or in part, you have the right to appeal the decision by sending a written request within 30 days of the denial for review to FBMC (Attn: Appeals Process, P. O. Box 1878, Tallahassee, FL, 32302-1878).

Your appeal must include:

- the name of your employer
- the date of the services for which your request was denied
- a copy of the denied request
- the denial letter you received
- why you think your request should not have been denied and
- any additional documents, information or comments you think may have a bearing on your appeal.

Your appeal and supporting documentation will be reviewed upon receipt. You will be notified of the results of this review within 30 business days from receipt of your appeal. In unusual cases, such as when appeals require additional documentation, the review may take longer than 30 business days. If your appeal is approved, additional processing time is required to modify your benefit elections.

Note: Appeals are approved only if the extenuating circumstances and supporting documentation are within your employer’s, insurance provider’s and the IRS’ regulations governing the plan.

Be certain you obtain and submit all required information with each FSA reimbursement request.
myFBMC Card™ Visa® Card

The myFBMC Card™ is a convenient reimbursement option that allows FBMC to electronically reimburse eligible expenses under your employer’s plan and IRS guidelines. Because it is a payment card, when you use the myFBMC Card™ to pay for eligible expenses, funds are electronically deducted from your account.

**myFBMC Card™ advantages**

You can use the myFBMC Card™ for your eligible Over-the-Counter (OTC) expenses at drugstores. Other advantages include:

- **instant reimbursements** for health care
- **instant approval** of most eligible OTC and prescription expenses, as well as some medical, vision and dental (others require documentation)
- **no out-of-pocket expense** and
- **easy access** to your account funds.

**Note:** You cannot use the myFBMC Card™ for cosmetic dental expenses or eye glass warranties.

**Using the myFBMC Card™**

For eligible expenses, simply swipe the myFBMC Card™ like you would with any other credit card. Whether at your health care provider or at your drugstore, the amount of your eligible expenses will be automatically deducted from your Medical Expense account. For Over-the-Counter and prescription purchases the card will only be accepted at IIAS merchants. For all other qualified expenses, such as medical and dental co-payments, the myFBMC Card™ will be used normally. To find out if a pharmacy or drugstore near you accepts the card, please refer to the IIAS Store List at www.myFBMC.com.

Two cards will be sent to you in the mail; one for you and one for your spouse or eligible dependent. You should keep your cards to use each plan year until their expiration date.

Remember, you can go to www.myFBMC.com to activate your card, see your account information and check for any outstanding Card transactions.

**When do I send in documentation for a myFBMC Card™ expense?**

You must send in documentation for certain myFBMC Card™ transactions, such as those that are not a known office visit or prescription co-payment (as outlined in your health plan’s Schedule of Benefits). When requested, you must send in documentation for these transactions. Documentation for a card expense is a statement or bill showing:

- name of the patient
- name of the service provider
- date of service
- type of service (including prescription name) and
- total amount of service.

**Note:** This documentation must be sent with a myFBMC Card™ Claim Form and cannot be processed without it. Like all other FSA documentation, you must keep your myFBMC Card™ expense documentation for a minimum of one year, and submit it to FBMC when requested.

**If you fail to send in the requested documentation for an myFBMC Card™ expense, you will be subject to:**

- withholding of payment for an eligible paper claim to offset any outstanding myFBMC Card™ transaction
- suspension of your myFBMC Card™ privileges
- payback through payroll
- the reporting of any outstanding myFBMC Card™ transaction amounts as income on your W-2 at the end of the tax year.

**Note:** Card transaction disputes must be filed within 60 days of the transaction date.

**What happens if I have money left in my account at the end of the plan year?**

These funds will be used first until exhausted — through March 15, 2011, which is the grace period allowed by the IRS. Then, subsequent claims will be debited from your new plan year account balance. For more information on the grace period, see Page 14.

**What agreement am I making when I use the myFBMC Card™?**

For more information about the myFBMC Card™, see the Cardholder Agreement that accompanies it.
FSA Worksheets

Use the worksheets below to determine how much to deposit in your FSA. Calculate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount (including the administrative fees) cannot exceed established IRS and plan limits. (Refer to the individual FSA descriptions in this Reference Guide for limits.)

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you or carried forward to the next plan year.

Strong, healthy teeth create beautiful smiles. To give your smile the care and attention it deserves, Delta Dental offers you the Dental Assistance, Basic and Enhanced Indemnity dental care plans.

With Delta Dental, you have complete freedom of choice in selecting a dentist. You can choose a dentist from the Delta Dental Premier® or Delta Dental PPOSM networks, or a dentist who does not participate in either network. Your choice of dentist can determine your cost savings.

There are 622 Delta Dental Premier access points and 365 Delta Dental PPO access points in West Virginia. Delta Dental PPO dentists will accept the Delta Dental PPO Maximum Plan Allowance (MPA)* or the dentist’s fee – whichever is less (the PPO Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Delta Dental Premier dentists will accept the Delta Dental Premier MPA (a slightly higher MPA) or the dentist’s total charge – whichever is less (Premier Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Non-participating dentists do not contract with Delta Dental to limit their costs. For services received from non-participating dentists, you may be responsible for these dentists’ total charges without limit by Delta Dental, including applicable copayments and deductibles. Delta Dental will reimburse you for its portion of the Premier Allowed Amount.

Your total out-of-pocket payment is least if you go to a PPO dentist, is more if you go to a Premier dentist, and likely will be highest if you go to a non-participating dentist. Please call Delta Dental to find a participating dentist in your area at 1-800-932-0783, or visit www.deltadentalins.com.

Employees who visit a dentist under the Delta Dental PPO network or the Delta Dental Premier network, will receive the benefit of increased plan year maximums.

This year, you may enroll in any of the following three dental programs:

**Dental Assistance Plan**
The Dental Assistance plan is a discounted fee-for-service, managed-cost dental plan that allows employees the freedom to choose any dentist for treatment, but they receive the greatest benefits when they visit a Delta Dental participating dentist.

**Basic Plan**
The Basic plan is a low-cost plan designed to cover preventive and basic services only. Please look carefully at the plan descriptions in the chart before making your choice.

**Enhanced Plan**
The Enhanced plan is the most comprehensive coverage offered with this program and covers preventive, basic and major restorative, orthodontic and TMJ services.

**Further Information**
You may cover your spouse and any children, stepchildren or foster children, up to age 25.

See the chart on the following page for a partial list of covered services. For more information concerning your benefits or to request a claim form, call the Interactive Benefits Information Line at 1-800-865-FBMC (3262).

There are no I.D. cards distributed with these plans. Submit claim forms to:

*Maximum Plan Allowance is an amount, determined by Delta Dental, from claim charges submitted on a regional basis for a given service by dentists of similar training within the same geographical area. These charges are blended by Delta Dental with dentist fee information from a number of other sources, using various factors, subject to regulatory limitations and adjustment for extraordinary circumstances, such as extreme difficulty or unusual circumstances.

* Deductible waived for diagnostic/preventive procedures at Delta Dental PPO Provider. Deductible applies to all services rendered by Delta Dental Premier and non-participating dentists.

* Percentage is based on Delta Dental’s applicable Maximum Plan Allowance or the dentist’s fee, whichever is less (the Allowed Amount). The Delta Dental payment under the program, plus the patient payment, equals the Allowed Amount, which is accepted by Delta Dental participating dentists as full payment. Participating dentists are paid directly by Delta Dental, and by agreement cannot bill you more than the applicable copayment, deductible or charges where maximums have been exceeded for covered services. By selecting a participating dentist, you always limit your out-of-pocket costs. For services performed by non-participating dentists, Delta Dental sends the benefit payment directly to you. You are responsible for paying the non-participating dentist’s total fee, which may include amounts in addition to your share of Delta Dental’s Allowed Amount. Out-of-pocket costs may also include applicable copayments, deductibles, charges where maximums have been exceeded, and services not covered by the Group Dental Service Contract.

** Major Restorative, Prosthodontics, and Orthodontics require 6 month plan participation.

*** Enhanced benefits for pregnancy, which include an additional oral evaluation and a choice of an additional periodontal scaling, not planing or prophylaxis, or additional periodontal maintenance procedure are covered.
Vision Service Plan

Vision Service Plan (VSP) offers you the Full Service or Exam Plus vision coverage plans to help pay for your eyecare needs.

Full Service Plan

The Full Service Plan covers you and your family for all routine eye care including eye exams, eyeglass lenses and frames, or contact lenses. When it’s time for an eye exam and/or eyeglasses, you can see any VSP doctor you want, or use a non-member doctor.

The deductible for materials is $20. A member may receive an examination and contact lenses or spectacle lenses once every plan year. Contact lenses are in lieu of lenses and frames. In other words, if a member chooses to use the contact lens benefit, this utilizes the lenses and frame benefit. The member would then be eligible for the frame benefit on July 1st.

Participants receive a 20 percent discount on additional pairs of prescription glasses or non-prescription glasses, including sunglasses from a VSP Member Doctor. You can also receive a 15 percent discount on the participating doctor’s professional fees when you purchase prescription contact lenses. This benefit is available in conjunction with your VSP contact lens allowance, or you can use it to purchase contacts in addition to glasses.

These discounts may be used for 12 months following the date of the covered eye examination and are available from any participating VSP Member Doctor.

VSP’s Laser Vision Care Program now provides discounts for LASIK and PRK surgeries from network laser surgery centers. Contact your VSP doctor for more information.

You may choose to cover your family by selecting the “Employee & Family” rates. You may cover your spouse and any children, stepchildren or foster children up to age 19 or to age 25, if they are unmarried, full-time students.

Value-Added Benefits

Diabetic Eyecare Program - Provides additional coverage through medical diagnosis and procedure codes specifically targeted toward members with Type 1 diabetes.

Thirty percent off additional glasses and sunglasses, including lens options, from the same VSP doctor on the same day as your WellVision Exam. Or get 20% off from any VSP doctor within 12 months of your last WellVision Exam.

* Co-payments apply in-network (VSP Member Doctor) at the time of service. Co-payments apply out-of-network and will be deducted from the doctor’s charge.

* Within Plan Limitations. If you select a frame that costs more than your plan allowance, there will be an additional charge you will pay out of pocket. When you visit the VSP member doctor, ask him/her which frames are covered in full. The allowance is very competitive and ensures a good choice with little or no out-of-pocket cost.

There will be an extra cost if you select materials or services that are elective or cosmetic in nature, such as tints and scratch coatings. (These charges are audited by VSP to ensure that you are not paying more than necessary.)

** Exam and contact lenses are also covered once every plan year, if necessary, provided you have not received spectacle lenses in the same plan year. You may receive eyeglass frames every other plan year. You may receive either spectacle lenses or contact lenses in the plan year, but not both.

When you choose elective contacts instead of glasses, your $150 allowance applies to the cost of your lenses and the fitting/evaluation exam. This exam is in addition to your vision exam to ensure proper fit of contacts.

*** There is a single materials co-payment of $20 on lenses and frames or medically necessary contact lenses.

Long-term Disability Insurance Plans  
Employee Only, Pre-tax Benefit

Long-term Disability (LTD) insurance can help safeguard your family's lifestyle and provide some peace of mind in the event you become disabled and are unable to work.

Because the State of West Virginia's retirement plan may not provide you adequate protection in the event you become disabled, you should consider enrolling in one of the two Long-term Disability insurance plans offered by Standard Insurance Company.

When am I considered disabled?
During the benefit waiting period and the next 24 months you are considered disabled if, due to injury, physical disease, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your own occupation, or you are unable to earn more than 80 percent of your pre-disability earnings while working in your own occupation.

Thereafter, you are considered disabled if, due to an injury, physical disease, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of any gainful occupation for which you are reasonably fitted by education, training and experience, or you are unable to earn more than 60 percent of your pre-disability earnings while working in your own or any other occupation.

What is the LTD benefit?
The monthly LTD benefit is based on your earnings from your public employer. The group insurance policy refers to these earnings as pre-disability earnings. The group policy has an actively-at-work requirement you must meet before your insurance will become effective.

You may apply for coverage under either Plan 1 or Plan 2. The monthly benefit under each plan is determined as follows:

Plan 1: 50 percent of the first $6,000 of your monthly pre-disability earnings, reduced by deductible income. The maximum monthly benefit is $3,000.

Plan 2: 70 percent of the first $8,571 of your monthly pre-disability earnings, reduced by deductible income. The maximum monthly benefit is $6,000.

Both Plans have a minimum monthly LTD benefit of $100.

What is deductible income?
Deductible Income is income you receive or are eligible to receive from other sources. It includes, but is not limited to: sick pay or other salary continuation, workers’ compensation benefits, Social Security benefits, disability benefits from any other group insurance, 50 percent of earnings from work activity while you are disabled, and disability or retirement benefits you receive or are eligible to receive because of your disability under any state disability benefit law or similar law or your retirement plan.

When do LTD benefits become payable?
If your LTD claim is approved by Standard Insurance Company, LTD benefits become payable at the end of the 180-day benefit waiting period. Refer to the Beyond Your Benefits section for information on taxes you may have to pay on insurance payments you receive.

How long can LTD benefits continue?
If you become continuously disabled before age 61, LTD benefits can continue during disability until age 65. If you become continuously disabled at age 62 or older, LTD benefits can continue during disability for a limited time. See the chart on Page 19.

What are the exclusions and limitations?
You are not covered for a disability caused or contributed to by: 1) a pre-existing condition (except as provided in your Certificate), 2) an intentionally self-inflicted injury or 3) war or any act of war. Benefits are not payable for more than 24 months for each period of disability caused or contributed to by a mental disorder, or for any period when you are not under the ongoing care of a physician.

What is the definition of a pre-existing condition?
If your disability results, directly or indirectly, from a pre-existing sickness or injury for which you received medical treatment or services, took prescribed drugs or medicines, or consulted a Physician within three (3) months before the most recent effective date of your insurance, you will receive no monthly benefit for that condition. However, this limitation does not apply to a period of Disability that begins after you have been insured under the plan for 12 consecutive months.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits.

What are some of the features of this coverage?
• Coverage for disabilities occurring 24 hours a day both on or off the job.
• Insurance continues without premium payments while LTD benefits are payable.
• A survivors’ benefit may be applicable if you die while LTD benefits are payable.

New! Assisted Living Benefit:
This benefit is available when LTD benefits are payable. It provides additional income replacement if you become disabled and cannot perform two of six activities of Daily Living or suffer a Severe Cognitive Impairment, and the condition is expected to last 90 days or more. It increases the income replacement to 80% of your predisability earnings. The additional benefits paid under the Assisted Living Benefit are not reduced by deductible income. The maximum benefit amount for the Assisted Living Benefit cannot exceed $5,000. This benefit is available on both Plan 1 and Plan 2.

New! Lifetime Security Benefit:
This benefit provides a lifetime income to severely disabled employees, extending LTD benefits indefinitely by continuing to pay benefits, beyond the regular Maximum Benefit Period of age 65, until death at the original 70% level. Severely disabled means you cannot perform two of six activities of Daily Living or suffer a Severe Cognitive Impairment, and the condition is expected to last 90 days or more. Benefits paid under the Lifetime Security Benefit are reduced by deductible income. This benefit is available on Plan 2.
How long are benefits payable?

Your benefits are payable according to the following schedule:

Here’s an affordable solution to help with your legal needs.
Finding an affordably priced lawyer to represent you when you buy or sell your home or even prepare your will can be a challenge. Did you ever wish you could pick up the phone and call a lawyer for some quick advice? For just pennies a day, the Legal Plan gives you your own “attorney on retainer.” The Legal Plan also covers full representation for many important personal legal services.

How do I use the plan?
When you face a situation that you think may have legal implications, simply pick up the phone and call 1-800-821-6400 Monday-Friday, 8 a.m. to 7 p.m. (Eastern Time). A knowledgeable client service representative will be available to assist you in locating a Plan Attorney near your home or workplace. Plan Attorneys are generally available to meet with you on weekdays, evenings and even Saturdays. Or, visit www.legalplans.com. If you’re enrolled, click “Members Log In.” If you have questions as you decide to enroll, click “Thinking about Enrolling?” and use WVA (all capital letters) as your password.

In or Out-of-Network?
Hyatt has more than 4,000 law firms in its nationwide network. When you use a Plan Attorney, covered legal services are provided at no additional attorney fees. Of course, you also have the flexibility to use a non-Plan Attorney and get reimbursed for covered services according to a set fee schedule. You will be responsible to pay the difference between the plan’s payment and the Attorney’s fees. It’s completely your choice.

This is a brief summary of the Legal Plan. For definitions of covered services, visit Hyatt at www.legalplans.com or call 1-800-821-6400 and request a Fact Sheet.

What’s covered?

You may need assistance from an accountant or financial planner. If you do require tax planning, whether it’s done by an accountant, a financial planner or your Plan Attorney, you are responsible for paying the portion of the fees charged for tax planning. The Legal Plan does not cover the tax planning necessary to decide what documents you need.

Not covered?
If your legal matter is not listed as covered or excluded, your initial advice and consultation are free. If you need representation on a non-covered matter, your Plan Attorney will give you a written fee agreement in advance. This means that you will know, up front, what these services will cost.

- Any business-related matters (including owned rental property)
- Appeals, class action suits and any matter where a spouse or dependent’s interest might conflict with yours

### Changing Your Coverage

**Changing your benefits during the Plan Year**

Within 60 days of a qualifying event, you must submit an Election Form and supporting documentation to your Benefits Administrator. Upon the approval of your election change request, your existing benefit elections will be stopped or modified (as appropriate). However, if your benefit election change request is denied, you will have 60 days, from the date you receive the denial, to file an appeal with your employer. For more information, contact FBMC Customer Care Center or your Benefits Administrator. Visit [www.myFBMC.com](http://www.myFBMC.com) for information on rules governing periods of coverage and IRS Special Consistency Rules.

</tr>
</tbody>
</table>
| **Open Enrollment Under Other Employer’s Plan** | You may make an election change when your spouse or dependent makes an Open Enrollment Change in coverage under their employer’s plan if they participate in their employer’s plan and:  
  * the other employer’s plan has a different period of coverage (usually a plan year) or  
  * the other employer’s plan permits mid-year election changes under this event. |
| **Judgment/Decree/Order** | If a judgment, decree or order from a divorce, legal separation (if recognized by state law), annulment or change in legal custody requires that you provide accident or health coverage for your dependent child (including a foster child who is your dependent), you may change your election to provide coverage for the dependent child. If the order requires that another individual (including your spouse and former spouse) covers the dependent child and provides coverage under that individual’s plan, you may change your election to revoke coverage only for that dependent child and only if the other individual actually provides the coverage. |
| **Medicare/Medicaid** | Gain or loss of Medicare/Medicaid coverage may trigger a permitted election change. |
| **Health Insurance Portability and Accountability Act of 1996 (HIPAA)** | If your employer’s group health plan(s) are subject to HIPAA’s special enrollment provision, the IRS regulations regarding HIPAA’s special enrollment rights provide that an IRC § 125 cafeteria plan may permit you to change a salary reduction election to pay for the extra cost for group health coverage, on a pre-tax basis, effective retroactive to the date of the CIS event, if you enroll your new dependent within 30 days of one of the following CIS events: birth, adoption or placement for adoption. Note that a Medical Expense FSA is not subject to HIPAA’s special enrollment provisions if it is funded solely by employee contributions. |
| **Family and Medical Leave Act (FMLA) Leave of Absence** | Election changes may be made under the special rules relating to changes in elections by employees taking FMLA leave. Contact your employer for additional information. |

* Does not apply to a Medical Expense FSA plan.  
† Does not apply to a Dependent Care FSA plan.
What is continuation coverage?
Federal law requires that most group health plans, including Medical Flexible Spending Accounts (Medical Expense FSAs), give employees and their families the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan.

How long will continuation coverage last?
For Medical Expense FSAs:
If you fund your Medical Expense FSA entirely, you may continue your Medical Expense FSA (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs, if you have not already received, as reimbursement, the maximum benefit available under the Medical Expense FSA for the year. For example, if you elected a Medical Expense FSA benefit of $1,000 for the plan year and have received only $200 in reimbursement, you may continue your Medical Expense FSA for the remainder of the plan year or until such time that you receive the maximum Medical Expense FSA benefit of $1,000.

If your employer funds all or any portion of your Medical Expense FSA, you may be eligible to continue your Medical Expense FSA beyond the plan year in which your qualifying event occurs and you may have open enrollment rights at the next open enrollment period. There are special continuation rules for employer-funded Medical Expense FSAs. If you have questions about your employer-funded Medical Expense FSA, you should call Fringe Benefits Management Company (FBMC) at 1-800-342-8017.

For More Information
This COBRA section does not fully describe continuation coverage or other rights under the Plan. More information about continuation coverage and your rights under the Plan is available from your employer. You can get a copy of your summary plan description from the Public Employees Insurance Agency (PEIA).

For more information about your COBRA rights, the Health Insurance Portability and Accountability Act (HIPAA) and other laws affecting group health plans, contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit the EBSA Web site at www.dol.gov/ebsa.

Keep Your Address Updated
In order to protect your family’s rights, you should keep your employer and FBMC informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to your employer and FBMC.
Deferred Compensation (457 Plan)
Participating in the Flexible Benefits Plan may affect your maximum annual contribution to the 457 plan. That is, Flexible Benefits Plan contributions reduce includible compensation* from which the maximum deferrable amount is computed. You should contact the Deferred Compensation vendor or the Tax Deferred Annuity (TDA) provider about the specific effect of the Flexible Benefits Plan.

* Includible compensation is the gross income shown on your W-2 form.

Taxable Benefits and the IRS
Certain benefits may be taxed if you become disabled, depending on how the premiums were paid during the year of the disabling event. Payments, such as disability, from coverages purchased with pre-tax premiums and/or nontaxable employer credits, will be subject to federal income and employment (FICA) tax. If premiums were paid with a combination of pre-tax and after-tax dollars, then any payments received under the plan will be taxed on a pro rata basis. If premiums were paid on a post-tax basis, you will not be taxed on the money you receive from the plan. You can elect to have federal income tax withheld by the provider just as it is withheld from your wages. Consult your personal tax advisor for additional information.

In addition, FICA and Medicare taxes will be withheld from any disability payments paid through six calendar months following the last calendar month in which you worked prior to becoming disabled. Thereafter no FICA or Medicare tax will be withheld.

You will be required by the IRS to pay FICA, Medicare, and federal income taxes on certain other benefits paid, such as from Hospital Indemnity Insurance, Personal Cancer Expense Insurance and Hospital Intensive Care Insurance, that exceed the actual medical expenses you incur, if these premiums were paid with pre-tax dollars and/or nontaxable employer credits. If you have questions, consult your personal tax advisor.

According to IRS regulations, you can pay life insurance premiums tax free on your first $50,000 of life insurance. You must pay tax on premiums for coverage exceeding $50,000.
