(V:)

Accessing Your V-Drive Off Campus

Start your internet browser (Internet Explorer, Netscape, etc)
Type in the address box:

ftp://mupfc.marshall.edu

You will then get a login box asking for your username and password.

Username: marshall\username

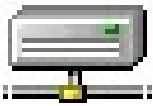

Password: userpassword

Your ftp username is the first section of your Marshall University e-mail account. For example if your e-mail address is smith02@marshall.edu, your username is smith02. Your password is the random 6-digit password generated by computing services that allows you to login to MU Computing Services while on campus.

If you do not know your e-mail address, logon to MILO at:

<http://www.marshall.edu/mymu>

Select and then **View e-mail Address(es)**
