## *Campus Conversations...* *Developing Priorities for an Academic Master Plan*

The Office of Academic Affairs and MU-ADVANCE invite you to *Campus Conversations*, a series of discussions open to Marshall University faculty, students, and staff that will be held throughout the 2009-2010 academic year. The goal of *Campus Conversations* is to identify and develop general priorities that will become elements of an *Academic Master Plan*, a draft of which is planned for April 2010.

*Campus Conversations* will be scheduled at various alternative times to allow and to encourage broad participation of faculty, students, and staff. Each *Campus Conversation* will have a thematic focus, however discussion is expected to be open and direct, and not necessarily limited to the conversation theme. Because the objective of the *Conversations* is the development of an *Academic Master Plan*, faculty and student participation is expected to be significant.

The *Campus Conversations* schedule is:
