### **Library Resource: Mama Ph.D.**

"Mama Ph.D." explores why universities are still lopsided with male tenured faculty. Narrated by women who have journeyed through the family-unfriendly halls of academia as mothers, this book seeks to explain why inequality persists within institutions of higher education. The book is available for loan in the MU-ADVANCE office (S-200A).

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: (willi143@marshall.edu).
