In an attempt to evaluate how job candidates viewed the recruitment process at Marshall, the MU-ADVANCE Program developed and implemented an offer survey. The survey was sent to applicants who received an offer from Marshall. [More information...](#)

Meet the New Faculty: Dr. Tracy Christofero

Dr. Tracy Christofero has joined the College of Information Technology and Engineering as an Assistant Professor, and will also serve as the new Technology Management Program Coordinator. Dr. Christofero brings twenty years of IT project management, education, and consulting experience to Marshall. Located at the Marshall University Graduate College in Charleston, Dr. Christofero is currently teaching a variety of Technology Management courses.

Library Resource: To Recruit and Advance

"To Recruit and Advance: Women Students and Faculty in Science and Engineering," was released in 2006 by the National Research Council. This book serves as a guide on how to address issues of recruitment, retention, and the advancement of women in university science and engineering departments. The book is available for loan in the MU-ADVANCE office (S-200A).

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: willi143@marshall.edu.
