News: Diversity Workshop a Success

Friday, October 24, 2008

The Building Diversity Workshop, hosted by WV-EPSCoR on October 21 and 22, included presentations throughout the conference that identified ways to increase the participation of women, underrepresented minorities, and disabled individuals in higher education. The presentations can be viewed at: www.wvresearch.org.

Meet the Faculty: Dr. Paige Muellerleile

Dr. Paige Muellerleile is an Assistant Professor in the Department of Psychology and is a MU-ADVANCE Faculty Fellow, researching "Implicit Religiosity and Health Behavior." Specifically, her research interests involve understanding people's judgments and decision-making processes. Dr. Muellerleile teaches Health Psychology, Intermediate Statistics, Clinical Research Methods, Psychometrics, and the Psychology of Women and Gender. [More information...](#)

Resource: American Association of University Women

[The American Association of University Women](#) (AAUW) is an organization that has advocated for women's equity for more than 125 years. The AAUW is one of the largest sources of funding geared exclusively toward aspiring female graduate students. Various fellowships and awards are available for women who are pursuing professional degrees.
