MU-ADVANCE welcomes three new administrative partners to the team: Dr. John Maher, Vice President for Research; Dr. Michelle Douglas, Director of Equity Programs; and Ms. Denise Hogsett, Director of Career Services. [More information...](#)

Meet the Faculty: Dr. Judith Silver

Dr. Judith Silver, a professor in the Department of Mathematics, is a Co-PI and chair of the recruitment committee for MU-ADVANCE. In this role, she initiates and maintains contact with all search committees within the STEM disciplines. Dr. Silver has taught an array of math courses, ranging from Elementary Algebra to Advanced Calculus. In addition to teaching, she has served as the Associate Chair for Mathematics and as the Interim Associate Dean for the College Of Science.

Resource: Lab Management Materials

The Howard Hughes Medical Institute helps scientists set up their research labs by offering helpful tips in laboratory management. They offer free publications, such as two books, "Making the Right Moves: A Practical Guide to Scientific Management for Post-docs and New Faculty," and "Training Scientists to Make the Right Moves." Other resources include sample letters, checklists, evaluation forms, case studies, interactive exercises, etc. For more information visit: <http://www.hhmi.org/resources/labmanagement/>.

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: willi143@marshall.edu.
