News-Calendar Update

Friday, February 8, 2008

The MU-ADVANCE [Calendar](#) now lists events for Spring 2008. These include Faculty Development Workshops presented by the Center for the Advancement of Teaching and Learning, Bio-medical Sciences Journal Clubs, Biology Seminars, and upcoming Grant Chats.

Meet the Faculty: Dr. Elizabeth Murray

Dr. Elizabeth Murray, an Associate Professor in the Department of Integrated Science and Technology, is a Co-PI for MU-ADVANCE. In addition, Dr. Murray serves with Dr. Frances Hensley, a MU-ADVANCE Administrative Partner, on the Policy Change Committee. Dr. Murray is currently developing a "Dual Career" website that will highlight ways in which Marshall can assist couples with both on and off campus issues during their job searches. Her research interests include protein and DNA manufacturing.

Resource: The National Center for Case Study Teaching In Science

Do you want to engage your students in medical ethics, cellular signaling, technology, probability, social psychology or photonics? If so, explore the University of Buffalo's [Case Study Center Collection](#), which includes:

[Treating Ed: A Medical Ethics Case Study](#)

[My Dog is Broken! A Case Study in Cell Signaling](#)

[March 7, 2017: The Day the Microprocessors Died](#)

[Markov vs. Markov: Divorce by the Numbers](#)

[A Classic Case of Serial Murder: Forensics Meets Photonics](#)

[War, Death, and Cognitive Dissonance: A Case Study for Social Psychology](#)

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams:
