News: Congratulations to the Faculty

Friday, May 1, 2009

MU-ADVANCE proudly acknowledges the five female faculty affiliates honored at the General Faculty Meeting on April 28, 2009. Drs. Tina Cartwright, Tracy Christofero, Piyali Dasgupta, Bonita Lawrence, and Wendy Williams were recognized for their achievements. [More...](#)

Meet the Post-doctoral Associate: Dr. Nadja Spitzer

Dr. Nadja Spitzer is a Post-doctoral Associate in the Department of Biological Sciences. Her research interests include the development of cell therapies for disorders of the nervous system and molecular neurophysiology. Dr. Spitzer works with Dr. Elmer Price developing a novel type of adult derived stem cell to potentially apply to neurobiological disorder therapies. She currently teaches Human Physiology and spear-headed the recent Brain Expo held at MU. [More...](#)

Resource: Tips for Academic Writing and Presenting

Need help simplifying your writing or structuring a presentation? In these two articles, [Five Tools for Academic Writing](#) and [Tips for Topnotch Presentations-Part 1](#), Dr. Beverly Delidow, a Professor of Biochemistry at the Marshall's School of Medicine, provides simple steps to better prepare you to write and present. Published in [Ezine](#), these tips can be shared with your colleagues and students.

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: (willi143@marshall.edu).
