Friday, September 26, 2008

WV-EPSCoR will host the workshop "Building Diversity in Higher Education: Strategies for Broadening Participation in the Sciences and Engineering," on October 21-22, 2008.

Early Registration deadline: September 29. [More information...](#)

Meet the New Faculty: Dr. Anna Mummert

Dr. Anna Mummert has joined the Department of Mathematics as an Assistant Professor. Prior to coming to Marshall, Dr. Mummert taught Calculus I & II, Differential Equations, and Calculus Concepts at Alfred University in Alfred, NY. Her research interests involve smooth dynamical systems, AMS/MOS classification 37C. Currently, Dr. Mummert is teaching Concepts and Applications of Mathematics and Concepts and Applications of Mathematics with Algebra. [More information...](#)

Resource: Community of Science Funding Opportunities

The Marshall University Research Corporation subscribes to the [Community of Science](#), an online resource databank geared toward research. According to their website, the COS lists "more than 25,000 records representing nearly 400,000 opportunities, worth over \$33 billion." In addition to funding opportunities, their website also offers profiles on over 500,000 researchers and over 2 million publications in various disciplines.

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: willi143@marshall.edu.
