MU-ADVANCE, currently in its third year, welcomes everyone back to the beginning of a new academic year. We are pleased with the progress MU-ADVANCE made in its first two years and are excited to offer you a glimpse of what the program has planned for this year! [More...](#)

Meet the New CITE Dean: Dr. Betsy Dulin

Dr. Betsy Dulin has resumed her role as the Dean of the College of Information and Technology (CITE). Returning in June after working briefly at a law firm in Charleston, Dulin proves once again to be a great asset to CITE. With both a background in engineering and experience in higher education, she will lead CITE as it expands its engineering program. In addition to being a professional engineer, Dr. Dulin is also a Registered Patent Attorney. [More...](#)

Resource: Starting Fresh

“[Starting Fresh: A primer for new professors on what to expect in the first year on the job](#),” published in the Chronicle of Education, discusses how new assistant professors can manage the daunting task of fulfilling their research, teaching, and service responsibilities, while being social at the same time. An in-depth examination on how to survive one of the toughest years of an academic career.

Recommendations or suggestions for additional resources for the MU-ADVANCE Office can be sent to Heidi Williams: (willi143@marshall.edu).
