

Writers' Ink.©

an anthology of stories, essays, and poetry
by the Fellows of the 2007 CWVWP Summer Institute

Compiled by Carol Mathis

"Writing from the heart requires vision, and vision is beyond skill. Vision writers write what they want to write. This means they write about things that have moved them deeply. Such writing is not something that you can learn. For vision is a gift. But if you open your heart wide, the gift will be great."

--- Cyn-Young Ahn
