Simply confused; perplexed
Mind wondering and stressed
Numerous images of nothing
Thoughts are few and far between something

Fluttering visions repeat
Hatred rising intensely with heat
Stone faced and a convincing smile
Wide-eyed with no look worthwhile

Slowly dancing around the issue at hand
Needing to know more and...
What is here?
Rolling thunderous emotions to fear

Silent heart; quiet mouth
Drumming mindlessness headed south
Gaining no momentum; giving in
Letting go; to feel again.
