Travis Vandal

Alabama is the land where stars are shining bright  
Alaska is the last frontier with ice and northern lights  
Arizona's desert takes its colors from the sun  
Arkansas is natural and rustic all in one  
California's culture has the brightest, golden glow  
Colorado's Rockies has the highest, coldest snow  
Connecticut is waiting for the sailing ships to port  
Delaware was very first and rests upon the shore  
Florida has the sunshine and the gators hard at play  
Georgia has the peaches and the proudest Southern way  
Hawaii has the islands of the rainbows and volcanoes  
Idaho is known for precious gems and fine potatoes  
Illinois boasts the "Windy City" and Abe Lincoln  
Indiana's sports are what the Hoosier fans are thinkin'  
Iowa is famous for its crops and farming blisters  
Kansas is the land where one is bound to see some twisters  
Kentucky has the bluegrass and the horses from the hills  
Louisiana sings the blues and cooks the Cajun meals  
Maine is where the lighthouse shines upon the rocky sea  
Maryland has the bridges high above the Chesapeake  
Massachusetts is a place with class and history  
Michigan's between the Lakes with wolverines to see  
Minnesota's Twins are tall and winter packs a shiver  
Mississippi's Delta has the mighty flowing river  
Missouri has the "Arch" that is the "Gateway to the West"  
Montana is a treasure where its "Big Sky" is the best  
Nebraska fills our plates with all the best delicious corn

Nevada's great casinos are where gamblers' dreams are born  
New Hampshire lives so free or dies with stunning Northern style  
New Jersey lets us wander down the Boardwalk for awhile  
New Mexico's enchantment has white sands and UFOs  
New York displays our Lady and the world comes and goes  
North Carolina features mountains, waves, and Tar Heels  
North Dakota's buffalos are hidden in the fields  
Ohio has the booming cities and the open farms  
Oklahoma's Sooners have the quiet Western charm  
Oregon is beaver country and Pacific splendor  
Pennsylvania's Gettysburg is something to remember  
Rhode Island is surrounded by the cool Atlantic flowing  
South Carolina has the lovely palm trees growing  
South Dakota's Rushmore is the finest in the land  
Tennessee is known for making famous Dixie Bands  
Texas is the setting where the wild cowboys ride  
Utah shows the arches and the canyons down inside  
Vermont is full of color in the calm, New England fall  
Virginia is for lovers and a commonwealth for all  
Washington has evergreens and rain that's coming at'cha  
West Virginia's mountains are the pride of Appalachia  
Wisconsin has the badgers and the Dells are so well known  
Wyoming has the Devil's tower standing all alone.
