MUONLINE VIRTUAL CLASSROOM COURSES
SPRING 2010

MUOnLine Virtual Classroom

Marshall University is excited to announce real-time classroom interaction from any location with broadband Internet access. This is a live, virtual classroom environment with robust features that include audio, video, application sharing and content display.

Unlike MUOnline E-courses, students are **REQUIRED** to attend virtual classes at the **SPECIFIED TIME** in the schedule of courses.

To access virtual classrooms, log into MUOnline and click the Live Classroom icon.

Requirements and other Additional information can be found at
www.marshall.edu/virtual
