The list of specific approved courses that can fulfill these requirements changes over time. Students should consult their departmental academic advisors for further information.

4. Six hours of courses designated as "writing intensive" and three hours of courses designated as "international" or "multicultural."

5. In order to complete the degree within the 128 credit hour plan, students are encouraged to select courses that meet two or more college or core requirements. See course attributes each semester for courses that fulfill specific requirements.

6. Students in the College of Fine Arts will complete Fine Arts 100 (3 credit hours), plus 15 elective hours outside the major.

7. Numerous courses within College of Fine Arts degree programs are sequential, meaning that they must be taken with the appropriate pre-requisite and/or co-requisite courses. Please refer to catalogue course descriptions or consult departmental academic advisors.

8. If students follow this graduation plan and do not withdraw from or fail to complete any courses, they can graduate within four academic years. This plan is a guide only. Course offerings in a given semester may alter the specific layout of the degree plan.

9. Individual academic advising is mandatory for students in the College of Fine Arts each semester prior to registration. Students who have declared a major in Fine Arts are assigned an advisor in the appropriate department. Undecided Fine Arts majors will see the Associate Dean of Fine Arts for advising. It is imperative that students meet with their academic advisors to implement a successful plan of course selection.

10. MUS 179 A-D is available for students to take to complete the piano proficiency requirement. Each class is one credit. Students will be given a proficiency placement exam prior to their first semester of study and the appropriate section of MUS 179 (if necessary) will be determined by the piano faculty.
