**Thanksgiving/Fall Break
November 19th—24th**

**Nursing School Office Hours are
8:00 am - 4:30 pm

Welcome to MUSON newest faculty members: Professor Natalie Perry & Professor Tina Hill. And welcome back to Dr. Jessica Maynard. All teach in the BSN Program.

**Advanced Priority Registration for Spring 2019
Freshmen and Sophomore Nursing Students**

IMPORTANT: Advanced Priority Registration for BSN freshmen and sophomore Nursing Students in the School of Nursing is: November 1 - 2, 2018.

Freshmen and sophomores who do not take advantage of this opportunity must wait until the regular Advanced Registration begins. There are no exceptions to this rule. Advanced Registration for Spring 2019 semester for full-time, currently enrolled students runs: November 5, 2018 - November 16, 2018.

1. Faculty advisors post extra office hours before registration. The schedules are available in individual folders in PH421 or on the advisor's office door. It is the student's responsibility to make an appointment with their advisor.
2. Student's **must** meet with their advisor to obtain their schedule. After talking with your academic advisor, the advisor will remove your academic hold, and then on November 1 and 2, 2018, freshmen and sophomore nursing students can priority register online or go to the Registrar's Office. If you plan on going to the Registrar's Office, you will need the Nursing stamp obtained from your advisor. It is a good idea to get this in case online registration is not available.
3. MOVC students complete registration with assigned advisors: Dr. Greene or Dr. Pope. Details will be provided at MOVC. Please check Marshall email for updates.
