

RN to BSN Plans of Study Form (updated June 2026)

Student Name _____ Student ID#: _____ Date: _____

Advisor: _____ Date Plan Approved: _____

DIRECTIONS: Choose one of the following Program Plans – Option A, B, or C and complete the plan of study. Keep a copy of your program plan for future reference to make sure you are correctly enrolled in classes each semester. You must follow this program plan unless you receive permission to modify the plan from the Director of the RN to BSN Program. **EMAIL completed forms to: MU Records Assistant, perduede@marshall.edu** for approval by your Advisor. Failure to return the form within 2 weeks of receiving your admission letter will result in forfeit of your seat in the new class and a wait listed status for admission to the program.

Note: General education requirements and statistics must be completed before taking nursing courses or concurrently with nursing courses. Statistics (EDF 417, MGT 218, STA 225, PSY 223, or SOC 345) must be taken before NUR 416. All courses must be completed with a “C” grade or higher. **Once nursing courses are started, students have 4 years to complete the program.**
