I certify that I am the person named on this application and that the information provided on this form is true and correct.

Signature and Date: _____

Falsification and/or omission of any of the required information may result in the denial of the application.

**** Students will be notified in writing of admission decision within two months after the application is received by the School of Nursing.**

Important Steps to Complete Application to the RN to BSN program.

Applicants **must** also apply to Marshall University (form available on Marshall University website, www.marshall.edu), and **official transcripts** must be sent to Marshall University Admissions Office **AND** the School of Nursing (see address below) unless you are currently enrolled at Marshall University.

Applications to the RN to BSN program cannot be processed for admission unless the student has been admitted to Marshall University. It is the applicant's responsibility to check with the University Admissions Office (1-800-642-3499 or admissions@marshall.edu) to make sure all required information has been received and the application for admission can be processed.

After admission to the program and prior to starting classes, a satisfactory background check and drug screen through Verified Credentials must be completed by the due date given in the admission letter. Applicants can contact the Records Assistant at musonstudentrecords@marshall.edu for additional information on how to complete the background check and drug screen.
