

SCHOOL OF PHARMACY

PRE-REQUISITE WORKSHEET

The Marshall University School of Pharmacy requires the following completed courses **prior to enrollment** into the PharmD program. However, courses **do not** have to be completed prior to application submission and interview.

REQUIRED PRE-REQUISITE COURSEWORK	REQUIRED SEMESTERS	COURSE TAKEN TO FULFILL REQUIREMENT	FINAL GRADE	SEMESTER/YR (Ex: Fall 2016)
English Composition	2 semesters	1. 2.		
Calculus	1 semester			
Statistics	1 semester			
Biology w/ Lab	2 semesters	1. 2.		
Chemistry w/ Lab	2 semesters	1. 2.		
*Human Anatomy w/ Lab	1 semester			
*Human Physiology w/ Lab	1 semester			
Microbiology w/ Lab	1 semester			
Organic Chemistry w/ Lab	2 semesters	1. 2.		
Physics w/ Lab	2 semesters	1. 2.		
Any Social Sciences elective	1 semester			

**The anatomy and physiology requirements can be fulfilled through a joint course, such as "Anatomy & Physiology I." However, the student will need two semesters to meet the requirement.*

Any additional pre-requisite course questions may be directed to [Kasie Erlewine](mailto:Kasie.Erlewine@marshall.edu) or [Megan Russell](mailto:Megan.Russell@marshall.edu) in the Office of Student Affairs.
