

**Marshall University School of Pharmacy
Advanced Pharmacy Practice Experience Student Evaluation Form (P4-APPE)**

PHAR 881 - APPE- 1 - General Medicine (Inpatient) Scoring Rubric

Student Name: _____ **Rotation Dates:** _____ **Site:** _____ **Preceptor:** _____

Midpoint Evaluation Date: _____ **Final Evaluation Date:** _____

***Instructions:** In order to provide a consistent evaluation process and feedback to students regarding their professional development, please assess the student's performance in each category based upon the skills and knowledge demonstrated throughout this rotation, as well as the student's previous experience. Please use the evaluation rubric below to assess the students' performance in each assigned category. Clearly indicate your assessment by checking the corresponding points/rating for each category.

***Electronic Submission:** Preceptors must submit the final evaluation electronically via the PharmAcademic platform by the due date to prevent the student from receiving an incomplete for the course. If you have any issues or would like to discuss the evaluation, please contact the Office of Experiential Learning at Marshall University.

*Please evaluate the student in the following areas: (*****Note all grades must be entered into PharmAcademic by preceptor*****)*

Patient Assessment (10 points)				
Patient or caregiver interview(s) and assessment - conduct an interview(s) and assessment to collect subjective information required for professional functions at the practice site including but not limited to CC, HPI, PMH, SHx, FHx, ROS, and medication history (prescription, herbal, dietary, and nonprescription).	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	5 points	4 points	3 points	0 points
Midpoint	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final				

Patient monitoring. Student is able to identify relevant objective and subjective monitoring and endpoints points for a patient condition(s) and evaluate when a patient needs a change in therapy or identify drug related problem(s).	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	5 points	4 points	3 points	0 points
Midpoint	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final

Medication Therapy Management / Patient Care - MTM (40 points)				
Disease state knowledge. The student is able to independently discuss the pathophysiology of disease(s), identify patient problems, use clinical practice guidelines and disease management protocols, and select and implement appropriate strategy to prevent or detect disease in a target population.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	0 points
Midpoint	○	○	○	○
Final				

Drug therapy evaluation, development of plan, and associated documentation (CMR, TIPS, MTM, PMH, etc). The student is able to develop a complete patient history (PMH) and identify problems and rationale (MAP). Student designs and evaluates treatment regimens for optimal outcomes and develops back up plans if problems develop with primary plan. Provides written documentation of plan that is clear and complete and concise.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	0 points
Midpoint	○	○	○	○
Final				

Monitoring for endpoints for patient / making interventions. The student independently identifies and suggests appropriate therapeutic endpoints for patient (cure, maintenance, or prophylaxis) and develops appropriate monitoring plan with rationale including suggestions of when to change.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	0 points
Midpoint	○	○	○	○
Final				

Patient Case Presentations. Student prepares patient cases in a timely manner and maintains information on the number of patients required by the preceptor. Student can present data in an organized manner and make notes in chart or records as appropriate. Student communicates clearly and concisely and answers questions about the patients or disease states or drug therapy as required.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	0 points
Midpoint	○	○	○	○
Final

Communication Skills (20 points)				
Patient Communications (patient education and counselling). The student speaks clearly and appropriately (both verbal and nonverbal) to the level of patient understanding and provides accurate information in appropriate detail to the patient addressing all patient and caregiver concerns independently.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	0 points
Midpoint	○	○	○	○
Final				

Provider Communications (communications with other members of the health care team, patient case presentations, etc). The student is able to communicate confidently with other members of the health care team in a professional, timely, and organized manner. All information is correct, accurate, and relevant documentation is completed accordingly. Student answers questions completely about patient care issues.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	5 points	4 points	3 points	0 points
Midpoint	○	○	○	○
Final				

Cultural Sensitivity. The student was independently able to assess the religious and socio-economic value systems affecting need and adherence, accommodate a culturally diverse population, and identify appropriate alternative measures to improve verbal and non-verbal interactions between patient and pharmacist.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	5 points	4 points	3 points	0 points
Midpoint	○	○	○	○
Final

Rotation Specific Projects/ Assignments (20 points)				
Formal oral presentation(s) (case or other) OR site specific assignment. The student completes the assignment and delivers it at a level appropriate for an independent practitioner using appropriate audiovisual aids and technology for the presentation format. Student utilizes time appropriately and ensures audience learning occurs.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
	10 points	8 points	7 points	2 points
Midpoint	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Final				

Formal written assignment / presentation(s) OR site specific assignment. The student completes assignment, the presentation of the work is organized, facts are correct for the project, and the project is referenced appropriately if applicable.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	Exceeds Expectations	Progressing Satisfactorily	Needs Improvement	Unsatisfactory
