

**Marshall University School of Pharmacy  
Advanced Pharmacy Practice Experience Student Evaluation Form (P4-APPE)**

**PHAR 883 - APPE- 3 - Advanced Community Practice Scoring Rubric**

**Student Name:** \_\_\_\_\_ **Rotation Dates:** \_\_\_\_\_ **Site:** \_\_\_\_\_ **Preceptor:** \_\_\_\_\_

**Midpoint Evaluation Date:** \_\_\_\_\_ **Final Evaluation Date:** \_\_\_\_\_

**\*Instructions:** In order to provide a consistent evaluation process and feedback to students regarding their professional development, please assess the student's performance in each category based upon the skills and knowledge demonstrated throughout this rotation, as well as the student's previous experience. Please use the evaluation rubric below to assess the students' performance in each assigned category. Clearly indicate your assessment by checking the corresponding points/rating for each category.

**\*Electronic Submission:** Preceptors must submit the final evaluation electronically via the PharmAcademic platform by the due date to prevent the student from receiving an incomplete for the course. If you have any issues or would like to discuss the evaluation, please contact the Office of Experiential Learning at Marshall University.

*Please evaluate the student in the following areas: ( **\*\*\*Note all grades must be entered into PharmAcademic by preceptor\*\*\*** )*

<b>Patient Assessment (10 points)</b>				
<b>Patient or caregiver interview(s) and assessment</b> - conduct an interview(s) and assessment to collect subjective information required for professional functions at the practice site including but not limited to CC, HPI, PMH, SHx, FHx, ROS, and medication history (prescription, herbal, dietary, and nonprescription).	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	<b>Exceeds Expectations</b>	<b>Progressing Satisfactorily</b>	<b>Needs Improvement</b>	<b>Unsatisfactory</b>
	5 points	4 points	3 points	0 points
<b>Midpoint</b>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<b>Final</b>				

<b>Patient monitoring.</b> Student is able to identify relevant objective and subjective monitoring and endpoints for a patient condition(s) and evaluate when a patient needs a change in therapy or identify drug related problem(s).	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>

<b>Final</b>				

<b>Drug therapy evaluation, development of plan, and associated documentation (CMR, TIPS, MTM, PMH, etc).</b> The student is able to develop a complete patient history (PMH) and identify problems and rationale (MAP). Student designs and evaluates treatment regimens for optimal outcomes and develops back up plans if problems develop with primary plan. Provides written documentation of plan that is clear and complete and concise.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	<b>Exceeds Expectations</b>	<b>Progressing Satisfactorily</b>	<b>Needs Improvement</b>	<b>Unsatisfactory</b>
	5 points	4 points	3 points	0 points
<b>Midpoint</b>	○	○	○	○
<b>Final</b>				

<b>Monitoring for endpoints for patient / making interventions.</b> The student independently identifies and suggests appropriate therapeutic endpoints for patient (cure, maintenance, or prophylaxis) and develops appropriate monitoring plan with rationale including suggestions of when to change.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>

<b>Midpoint</b>	○	○	○	○
<b>Final</b>				

<b>Communicates with patients about prescription and non-prescription drugs during the dispensing process.</b> Student obtains appropriate background information from patient or caregiver for assigned prescriptions and nonprescription products. Student formulates and communicates an action/referral plan when a prescription is contraindicated or otherwise should not be dispensed. Student counsels each patient agent on the indication, dose, route, possible side effects and drug interactions for assigned prescriptions.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
	<b>Exceeds Expectations</b>	<b>Progressing Satisfactorily</b>	<b>Needs Improvement</b>	<b>Unsatisfactory</b>
	10 points	8 points	7 points	0 points
<b>Midpoint</b>	○	○	○	○
<b>Final</b>				

<b>Monitors &amp; evaluates drug therapy; Initial and ongoing.</b> Student evaluates and / or monitors effectiveness of drug therapy regimens for assigned prescriptions. Student identifies and documents information on drug related problems (non-compliance, adverse drug reactions, drug interactions, etc) for assigned prescriptions.	<i>Student exceeds requirements. Student consistently and independently completes all basic and complex tasks going beyond what is required.</i>	<i>Student consistently meets requirements. Student completes basic and some complex tasks independently with minimal or no guidance and/ or prompting.</i>	<i>Student meets some minimum requirements. Student frequently requires guidance and/ or prompting to complete basic or routine tasks.</i>	<i>Student does not meet requirements. Student is unable to complete basic / routine tasks despite guidance and prompting.</i>
